#### Page 9:

Delete the last sentence of the third paragraph. In the fourth paragraph, amend the first sentence to read "The Governing Council will also have before it a note outlining progress on the report on energy requested at the Governing Council's first session, and advancing for the Governing Council's consideration proposals concerning UNEP's role in relation to energy. Copies in English of a draft report prepared by a consultant will be available on request".

In the second sentence replace the full stop at the end by a semi-colon and add "The report of the Intergovernmental Meeting on Monitoring (UNEP/GC/24), which was not discussed at the Council's second session, will also be before the third session".
