The Afghan Chargé d'affaires was called to the Foreign Office at Islamabad in the morning of 29 November 1988, and a strong protest was lodged with him over this action of the Afghan régime, which constitutes a violation of the Geneva Accords. He was asked to inform his authorities that if such activities did not cease the entire responsibility for the serious consequences would rest with the Kabul authorities.

I request to have this letter circulated as a document of the General Assembly, under agenda items 30, 72, 129, 133 and 136, and of the Security Council.
