HASHEMITE KINGDOM OF JORDAN-ISRAEL  
MIXED ARMISTICE COMMISSION

Resolution adopted by the Hashemite Kingdom of Jordan Israel  
Mixed Armistice Commission at its emergency meeting No. 434  
on 9 June 1966, dealing with Jordan complaint No. M-256

Jerusalem, 10 June 1966

The HKJ-I MAC, having discussed Jordan complaint No. M-256, the investigation reports and the discussion thereon,

Finds that:

1. During the midday hours of 15 May 1966 a bullet or bullets were fired by unknown persons at the vicinity of the ADL. It was impossible to locate the exact location from which this shot or these shots came.

2. This or these bullets resulted in the wounding seriously of two Jordanian children while being in their schoolyard in Budrus village.

Notes that, after it was found in the past that in some instances bullets of Israeli troops manoeuvring in Israel crossed the ADL, the Israel delegation had assured the MAC and the Jordan side to the effect that proper measures will be taken to prevent the recurrence of such incidents. Nevertheless, this incident took place after those assurances.

Decides that the straying or crossing of the bullets across the ADL into Jordan constitutes a breach of the G.A.A.

Expresses its sympathy with the wounded children and their families.

Calls upon:

The Israeli authorities to take the most appropriate measures to prevent the crossing of such firing made by the manoeuvring forces into Jordan.
