In the twelfth sentence, after That was the approach taken add by the
Holy See in the recommendations - virtually a code of ethics - on tourism
drafted by it over several years (see the address of the Supreme Pontiff to
the Second World Congress for the Pastorate of Tourism, the episcopal documents
issued by the Pontifical Commission on Migration and Tourism and the general
guidelines for the pastorate of tourism, issued at Rome on 30 April 1969),
while at the same time it continued to encourage the religious orders which are
specially dedicated to the rescue of persons engaged in prostitution. It was
likewise in the context of the cultural effects of tourism that prostitution was

After paragraph 103 add the following new paragraph:

As a result of the Asian Consultation at Manila in March 1982 (cited in Annex VI), women representing 24 countries from all continents set up at Rotterdam, on 16 April 1983, an International Feminist Network against Traffic in Women and Female Sexual Slavery. This informal co-ordinating body intends, by organizing regional meetings, to inform and educate the public on various forms of sexual violence, to press for improvements in existing legislation and co-operation with international institutions and to combat anything that serves to institutionalize sexual slavery, including the organization and exploitation of prostitution.

Annex V, paragraph 2

After item (n) (p. 56) add :
