SECOND COMMITTEE  
Agenda item 71

UNITED NATIONS CONFERENCE ON NEW AND RENEWABLE  
SOURCES OF ENERGY

Letter dated 19 September 1979 from the Permanent Representative of  
Austria to the United Nations addressed to the Secretary-General

I have the honour to inform you that the Austrian Federal Government has decided to offer Vienna as the site for the United Nations Conference on New and Renewable Sources of Energy to be held in 1981.

Permit me to enclose for your information the copy of a note verbale which has been sent to all Members of the United Nations.

(Signed) Thomas KLESTIL  
Ambassador  
Permanent Representative  
to the United Nations

Annex

The Permanent Mission of Austria to the United Nations presents its compliments to the Permanent Missions of the Member States of the United Nations and has the honour to inform them that the Austrian Federal Government has decided to offer Vienna as the site for the United Nations Conference on New and Renewable Sources of Energy to be held in 1981.

In view of the role of Vienna as an important centre for international co-operation in the field of energy, industry and technology and especially its function as permanent headquarters of IAEA, UNIDO, UNSCEAR and other important United Nations units and agencies, the Austrian capital would provide a most suitable setting for the Conference.

The Austrian Federal Government hopes that its invitation to hold the United Nations Conference on New and Renewable Sources of Energy in Vienna will receive the valuable support of the Member States of the United Nations.

The Permanent Mission of Austria to the United Nations avails itself of this opportunity to renew to the Permanent Missions of the Member States of the United Nations the assurances of its highest consideration.
