by two or more States, contained in the report of the Intergovernmental Working Group of Experts on Natural Resources Shared by Two or More States, established under Governing Council decision 44 (III) of 25 April 1975,

Noting also the report by the Secretary-General requested by the General Assembly in resolution 33/87 of 15 December 1978 and containing the comments made by Governments regarding the draft principles, as well as other significant information, recommendations and suggestions in connexion therewith, 3/

Desiring to promote effective co-operation among States for the development of international law regarding the conservation and harmonious utilization of natural resources shared by two or more States,

1. Takes note with appreciation of the report of the Intergovernmental Group of Experts established under Governing Council decision 6/14 in conformity with Assembly resolution 3129 (XXVIII);
2. Adopts the draft principles of conduct in the field of the environment for the guidance of States in the conservation and harmonious utilization of natural resources shared by two or more States;
3. Requests States Members of the United Nations to respect the principles in their inter-State relations;
4. Requests the Governing Council of the United Nations Environment Programme to encourage the elaboration and application of the principles in the formulation of bilateral or multilateral conventions regarding natural resources shared by two or more States;
5. Also requests the Governing Council of the United Nations Environment Programme to entrust the environmental law group of the United Nations Environment Programme with the task of making a study of the definition of shared natural resources;
6. Further requests the Governing Council of the United Nations Environment Programme to report to the General Assembly at its thirty-sixth session on the progress in the implementation of this resolution.
