MOROCCO: DRAFT RESOLUTION

The Security Council,

Noting the complaint by Syria to the Security Council concerning the aggression committed by Israel on 13 November 1964,

Noting the counter-complaint by Israel and the statements made to the Council by the representatives of Syria and Israel,

Noting the report of the Chief of Staff of the United Nations Truce Supervision Organization in Palestine,

Recalling its resolutions of 19 January 1956 and 9 April 1962 and in particular the provisions of those resolutions relevant to the maintenance of the Armistice and the settlement of disputes through the intermediary of the Mixed Armistice Commission,

Noting with concern that Israel, in the course of its aggression on 13 November 1964 against the Syrian Arab Republic, used its air force to bomb peaceful villages and defensive positions in Syrian territory,

1. Condemns the air action undertaken by the forces of the Government of Israel against the territory of the Syrian Arab Republic on 13 November as constituting a violation of the cease-fire provisions of the Security Council's resolution of 15 July 1948 and as being both incompatible with the obligations binding upon the parties under the terms of the General Armistice Agreement and contrary to the Charter;

2. Expresses its deep concern with regard to this action, which is of such a nature as to endanger peace in that area;

3. Calls upon the Government of Israel to take effective measures to prevent the repetition of such actions;

4. Calls upon the Governments of Syria and Israel strictly to apply the provisions of the Armistice Agreement concluded between the two countries and fully to participate in the meetings of the Mixed Armistice Commission.
