PERMANENT HEADQUARTERS COMMITTEE

DRAFT RESOLUTION SUBMITTED
BY THE FRENCH DELEGATION

The Assembly tenders its thanks to the Interim Committee and, in particular, to the Chairman and Members of the Committee entrusted with the enquiries in the United States for the preliminary reports and the documentary material they have submitted.

It decides to adjourn its decision on the choice of the permanent seat of the Organization until the second part of its first session, in order that it may complete the necessary studies and investigations and undertake a thorough examination of all the offers made.

It instructs the Secretary-General to make arrangements at the earliest possible moment for the provisional seat of the Organization to be established in a city of the United States in which conditions would enable the Organization to discharge its duties in complete independence and carry out its work with the greatest possible smoothness and efficiency.

It authorizes the Secretary-General, if he deems it necessary, to consult for this purpose the General Committee of the Assembly and, if need be, the Governments of the United Nations, before he signs any agreements with the American authorities.
