**Statement on Jammu and Kashmir adopted by the OIC Contact Group on Jammu and Kashmir at its meeting during the 61st Session of the United Nations Commission on Human Rights in Geneva, 22 March 2005.**

The OIC Contact Group on Jammu and Kashmir, which met on the occasion of the 61st Session of the United Nations Commission on Human Rights, reaffirmed support to the Kashmiri people in their struggle for the right to self-determination and expressed its deep concern over the situation of Human Rights in Jammu and Kashmir. The Group took note of reports of intensification of gross and consistent human rights violations.

The Group was guided by all OIC Summit and Ministerial Declarations and Resolutions on Jammu and Kashmir.

The Group recalled UN Security Council resolutions 47(1948), 51(1948), 80(1950), as well as the United Nations Commission for India and Pakistan resolutions of 13 August 1948 and 5 January 1949 that stipulate that the final disposition of the State of Jammu and Kashmir will be made in accordance with the will of the people expressed through the democratic method of a free and impartial plebiscite conducted under the auspices of the United Nations.

The Group affirmed once again the commitment of the OIC to promote a just and peaceful solution to the Jammu and Kashmir dispute in accordance with the United Nations resolutions and expressed the resolve to seek the effective realization of the right of self-determination of the Kashmiri people.

The Group expressed appreciation to the Government of Pakistan for its unilateral ceasefire along the line of control, which has subsequently been observed by both parties.

The Group welcomed the appointment of the Special Representative of the OIC Secretary General on the Jammu and Kashmir dispute and urged him to continue his endeavours to visit the Indian held Kashmir.

The Group called for an immediate end to the gross and consistent violations of human rights and, in this regard, reiterated the determination of the OIC Member States to continue their efforts for the full protection of the fundamental human rights of the people of Jammu and Kashmir. It called for grant of access to international human rights bodies, the special mechanisms of CHR and international media in Jammu and Kashmir to regularly monitor the human rights situation.

The Group rejected any attempt to denigrate the Kashmiri people's valiant struggle for self-determination as terrorism. It recognized that recently held elections in Jammu and Kashmir were no substitute to the UN administered plebiscite for enabling the people of Jammu and Kashmir to realize their right to self-determination.

*The Contact Group welcomed the ongoing Composite Dialogue process between Pakistan and India and expressed the hope that the talks would promote a just settlement of Jammu and Kashmir dispute in accordance with the legitimate aspiration of the Kashmiri people and their inalienable self determination as prescribed in relevant United Nations Security Council resolutions.*

*The Contact Group appreciated the historic decision by the Governments of Pakistan and India to allow travel across the LoC between Muzaffarabad and Srinagar by bus without passports and visas.*

The meeting took note of the Memorandum presented by the True Representatives of the Kashmiri people to the OIC Contact Group and decided to transmit it along with the Statement adopted at the meeting to the 61<sup>st</sup> Session of the Commission on Human Rights to be circulated as official documents of the Commission.
