

Corrigendum
to Sales No. E.05.I.16

June 2005

Original: English

The Millennium Development Goals Report 2005

Corrigendum

Page 37, first-column paragraph

The third sentence *should read*

Despite this recovery, aid is still equivalent to just one quarter of 1 per cent of donor countries' gross national income and only five countries — Denmark, Luxembourg, the Netherlands, Norway and Sweden — currently meet or exceed the United Nations target of 0.7 per cent of gross national income.
