10. Mr. ZVEZDIN (Union of Soviet Socialist Republics) said that the revised version of the draft resolution

Paragraph 49, last sentence

For the existing text substitute

He recalled the well-known position of the British Government that, with respect to the category of land-locked developing countries, specific action in favour of those countries must be related to their individual level of development, and must aim directly at offsetting their concrete geographical handicaps. The British Government intended to continue to channel its assistance to individual land-locked developing countries through bilateral and other existing multilateral institutions.
