## **Compilation and synthesis of initial national communications**

### **Draft conclusions proposed by the Chair**

1. The Subsidiary Body for Implementation (SBI) considered document FCCC/SBI/2005/INF.2 containing the list of projects submitted by Parties not included in Annex I to the Convention (non-Annex I Parties) in accordance with Article 12, paragraph 4, of the Convention.
2. The SBI recommended that the Conference of Parties at its eleventh session, in the context of additional guidance to an operating entity of the financial mechanism, request the Global Environment Facility, in accordance with Article 12, paragraph 4, of the Convention, and decision 11/CP.1, to assist, if so requested, non-Annex I Parties in formulating and developing project proposals identified in their national communications, when Parties are formulating their national programmes to address climate change issues.
3. The SBI also invited bilateral and multilateral assistance programmes to provide support to non-Annex I Parties in formulating and developing the above-mentioned project proposals.
