In accordance with Article 54 Charter United Nations I have the honour to transmit to you for information Security Council following text of cable No. 285 dated 4 July from the Ad Hoc Committee and the Secretary General to the Chairman of the Tenth Meeting of Consultation:

"Santo Domingo, 4 July 1965

"Message No. 285

"Ambassador Guillermo Sevilla Sacasa
Chairman Tenth Meeting of Consultation
Washington D.C.

"For the information of the Tenth Meeting of Consultation we transmit herewith note sent today to the Minister for Foreign Affairs of the Constitutionalist Government.

'Santo Domingo, 4 July 1965

'No. 59

'Sir,

'We have the honour to inform you that the Committee's offices are receiving numerous complaints from persons living in the constitutionalist zone and from shopkeepers in the zone about continual violations of their domiciles and losses of household goods and personal belongings and the seizure of merchandise from their shops by members of the Constitutionalist Command, who offer no payment for what they take. Other shopkeepers have informed us also that the locks on their premises have been changed so that they cannot enter to see what state they are in. You will readily understand how concerned the Committee is to receive such complaints. Apart from the unfavourable atmosphere which they tend to produce and the anxiety to which their repetition gives rise, the frequency of such occurrences would seem to indicate the existence in the Constitutionalist zone of irresponsible persons whose

activities tend to throw discredit your Government's policing. The Committee would be obliged if you would take the necessary steps to avoid a repetition of acts which militate against the desire to restore peace and normal conditions in the Dominican Republic.

'Accept, Sir, etc.
