Chapter I

Introduction

1. At its 69th meeting, on 23 December 2005, the General Assembly adopted resolution 60/246 on questions relating to the proposed programme budget for the biennium 2006-2007 and resolutions 60/247 A and B on the programme budget for the biennium 2006-2007.
2. In its resolution 60/247 A, the General Assembly adopted budget appropriations totalling \$3,798,912,500. In resolution 60/247 B, it approved the estimate of income from staff assessment in the amount of \$401,734,800 and the estimate of income other than that from staff assessment in the amount of \$25,620,400.
3. The programme budget of the United Nations for the biennium 2006-2007 was approved by the General Assembly following its consideration of the Secretary-General's proposed programme budget,¹ the report of the Advisory Committee on Administrative and Budgetary Questions thereon² and the report of the Committee for Programme and Coordination on the work of its forty-fifth session.³
4. During the sixtieth session of the General Assembly, the Fifth Committee considered reports of the Secretary-General submitted under the agenda item entitled "Proposed programme budget for the biennium 2006-2007" that contained revised estimates, including those resulting from decisions taken by the Economic and Social Council, and statements of programme budget implications on draft resolutions, together with the related reports of the Advisory Committee on Administrative and Budgetary Questions. The Assembly accordingly took decisions affecting the programme budget based on the recommendations contained in the relevant report of the Fifth Committee.⁴
5. The present document contains the detailed schedules of budget appropriations and income estimates for the biennium 2006-2007. Throughout the schedules, the proposed programme budget refers to the documents listed in note 1 below, and changes in the rates of exchange, inflation and other adjustments refer to the report of the Secretary-General entitled "Revised estimates: effect of changes in rates of exchange and inflation" (A/60/599) and the subsequent revisions made by the Fifth Committee (as reflected in General Assembly resolutions 60/246, 60/247 A, B and C, and 60/248).
6. In paragraph 3 of its resolution 60/246, the General Assembly endorsed the conclusions and recommendations of the Committee for Programme and Coordination as contained in paragraphs 61, 67 and 106 to 122 of its report.³ In paragraph 4 of the same resolution, the General Assembly noted that consideration of the programme narratives contained in the revised estimates⁵ will follow consideration thereof by the Committee for Programme and Coordination no later than September 2006.
7. Chapter II of the present document contains the detailed history of the appropriations adopted for the biennium 2006-2007. The first column contains the estimates submitted by the Secretary-General in the proposed programme budget and in other estimates submitted in the context of statements of programme budget implications, revised estimates and recosting. The second column reflects the

changes made by the General Assembly. The third column indicates the amounts appropriated by the General Assembly.

8. Chapter III contains the income estimates prepared by the Secretary-General, the changes made by the General Assembly thereon and the appropriations approved by the Assembly.

9. Chapter IV contains summary tables, which are listed in the table of contents.
