DRAFT RESOLUTION OF THE SECURITY COUNCIL CONCERNING
THE IMPLEMENTATION OF THE RESOLUTIONS OF THE GENERAL ASSEMBLY REGARDING
THE PRINCIPLES COVERING THE GENERAL REGULATION AND REDUCTION
OF ARMAMENTS AND INFORMATION ON ARMED FORCES OF THE
UNITED NATIONS

Text Resulting from the Consultation of the President with the Representatives
of Australia, Colombia, France, United States of America and
the Union of Soviet Socialist Republics

The Security Council, having accepted the resolution of the General Assembly of 14 December 1945, and recognizing that the general regulation and reduction of armaments and armed forces constitute a most important measure for strengthening international peace and security, and that the implementation of the resolution of the General Assembly on this subject is one of the most urgent and important tasks before the Security Council,
RESOLVES:

1. to work out the practical measures for giving effect to the resolutions of the General Assembly on 14 December 1946 concerning, on the one hand, the general regulation and reduction of armaments and armed forces, and the establishment of international control to bring about the reduction of armaments and armed forces and, on the other hand, information concerning the armed forces of the United Nations;
2. to consider as soon as possible the report submitted by the Atomic Energy Commission and to take suitable decisions in order to facilitate its work.

3. To set up a Commission consisting of representatives of the members of the Security Council with instructions to prepare and to submit to the Security Council within the space of not more than three months, the proposals:

- (a) for the general regulation and reduction of armaments and armed forces and
- (b) for practical and effective safeguards in connection with the general regulation and reduction of armaments

which the Commission may be in a position to formulate in order to ensure the implementation of the above-mentioned resolutions of the General Assembly of 14 December 1946, insofar as these resolutions relate to armaments within the new Commission's jurisdiction.

The Commission shall submit a plan of work to the Council for approval.

Those matters which fall within the competence of the Atomic Energy Commission as determined by the General Assembly Resolutions of 24 January 1946 and 14 December 1946 shall be excluded from the jurisdiction of the Commission hereby established.

The title of the Commission shall be the Commission for Conventional Armaments.

The Commission shall make such proposals as it may deem advisable concerning the studies which the Military Staff Committee and possibly other organs of the United Nations might be asked to undertake.

4. to request the Military Staff Committee to submit to it, as soon as possible, the recommendations for which it has been asked by the Security Council on 15 February 1946 in pursuance of Article 43 of the Charter.

3. To set up a Commission consisting of representatives of the members of the Security Council with instructions to prepare and to submit to the Security Council, within the space of not more than three months, the proposals:

- (a) for the general regulation and reduction of armaments and armed forces, and
- (b) for practical and effective safeguards in connection with the general regulation and reduction of armaments

which the Commission may be in a position to formulate in order to ensure the implementation of the above-mentioned resolutions of the General Assembly of 14 December 1946.
