Gravely concerned about the deterioration of the economic and living conditions of the Palestinian people in the Occupied Palestinian Territory, including East Jerusalem, and of the Arab population of the occupied Syrian Golan and the exploitation by Israel, the occupying Power, of their natural resources,

Gravely concerned also by the formidable impact on the economic and social conditions of the Palestinian people caused by Israel's construction of the wall and its associated regime inside the Occupied Palestinian Territory, including in and around East Jerusalem, and the resulting violation of their economic and social rights, including the right to work, to health, to education and to an adequate standard of living,

Recalling in this regard the International Covenant on Civil and Political Rights,² the International Covenant on Economic, Social and Cultural Rights² and the Convention on the Rights of the Child,³ and affirming that these human rights instruments must be respected in the Occupied Palestinian Territory, including East Jerusalem, as well as in the occupied Syrian Golan,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*,⁴ recalling also General Assembly resolution ES-10/15, and stressing the need to comply with the obligations mentioned therein,

Calling on both parties to fulfil their obligations under the road map⁵ in cooperation with the Quartet,

1. *Calls for* the lifting of the severe restrictions imposed on the Palestinian people, including those arising from the current Israeli military operations, and for other urgent measures to be taken to alleviate the desperate humanitarian situation in the Occupied Palestinian Territory;

2. *Demands* that Israel comply with the Protocol on Economic Relations between the Government of Israel and the Palestine Liberation Organization signed in Paris on 29 April 1994⁶ and urgently transfer Palestinian tax revenues;

3. *Stresses* the need to preserve the national unity and the territorial integrity of the Occupied Palestinian Territory, including East Jerusalem, and to guarantee the freedom of movement of persons and goods in the Territory, including the removal of restrictions on going into and from East Jerusalem, and the freedom of movement to and from the outside world;

4. *Calls on* Israel to restore and replace the destroyed civilian infrastructure, including the only power station, where Israeli air strikes on Gaza's power plant have had a far reaching impact on Gaza's hospitals, food production facilities, water and sanitation systems; as well as water networks, schools, bridges, the airport, the seaport and Palestinian ministries and institutions;

5. *Urges* the full implementation of the Access and Movement Agreement of 15 November 2005, particularly the urgent reopening of Rafah and Karni crossings, which is crucial to ensuring the passage of foodstuffs and essential supplies, as well as the access of the United Nations agencies to and within the Occupied Palestinian Territory;
