Information circular*

To: Members of the staff
From: The Assistant Secretary-General for Human Resources Management
Subject: **Revised salary scales for staff in the General Service and related categories at Headquarters**

1. In accordance with article 12 of its statute, the International Civil Service Commission conducted a comprehensive survey of the best prevailing conditions of employment in New York in 2005 for the purpose of making recommendations to the Secretary-General on the salary scales of staff in the General Service and related categories at Headquarters. The representatives of administration and staff actively participated in all aspects of the survey, including the selection of employers and jobs to be surveyed. In compliance with the Commission's earlier decisions, no separate surveys were conducted in respect of the Language Teacher and the Public Information Assistant categories. Instead, the percentage resulting from the survey for the General Service category was applied to adjust the salary scales of those two categories. The Commission also decided to discontinue, for future rounds, separate surveys for the Security Service and the Trades and Crafts categories and to apply to them the same salary adjustment procedure as the one applicable to the Language Teacher and Public Information Assistant categories. For the present exercise, separate survey results for the Security Service category were used while the salaries of the Trades and Crafts category were adjusted by the same percentage as that established for the General Service category.

2. The Commission concluded that the results of the survey for the General Service category warranted a 1.74 per cent increase over current net salaries in effect on 1 May 2005. On the basis of the recommendation of the Commission contained in the letter of the Chairman of the Commission dated 8 August 2006, the Secretary-General decided to promulgate the revised salary scales for the staff in the General Service and related categories (except the Security Service category), effective 1 November 2005.

* The present circular, which cancels and supersedes both circular ST/IC/2005/61 dated 2 November 2005, and the section relating to dependency allowances and language allowances, as contained in page 4 of circular ST/IC/2005/61/Amend.1 dated 5 May 2006, will be in effect until further notice.

3. The amount of the dependency allowances is recalculated in the context of the salary survey based on tax abatements provided under United States federal, state and city fiscal legislation. The dependency allowances (in thousands of United States dollars net per annum) are revised as follows:

	Previous amount	Revised amount
Child	2 217	2 083
Except for the first dependent child of a single, widowed or divorced staff member	3 246	2 879
Dependent spouse	3 562	3 336
Secondary dependant	1 307	1 257

The revised amounts will apply only in respect of children, dependent spouse or secondary dependants for whom dependency allowances become payable on or after 1 September 2006. The previous amounts remain payable to eligible staff in respect of children, dependent spouse and secondary dependant already recognized as dependants by decision effective 1 September 2006.

4. The amounts of the first and second language allowances will be revised, effective 1 November 2005, to \$1,956 and \$978 net per annum, respectively.

5. The revised salary scale for the staff in the Security Service category is also being reissued as part of the present circular in order to reflect the revised dependency and language allowances mentioned in paragraphs 3 and 4 above.

6. The implementation of the revised salary scales, which are contained in the annexes to the present circular, will be reflected in the end of the September 2006 payroll.

7. Those former staff members who left the service of the United Nations between 1 November 2005 and 31 August 2006 will be eligible to receive the retroactive increases that resulted from the implementation of the revised salaries, effective 1 November 2005, upon presentation of a written claim to their former executive offices. Such claims must be made within one year of the date of issuance of the present circular.
