Mr. Ilham Aliyev, President of Azerbaijan, for the Republic of Azerbaijan of the 33<sup>rd</sup> session and for gracing the opening session of the meeting with his personal presence, which is a clear evidence of the interest he shows to OIC affairs. He then addressed the various initiatives and reforms introduced in the internal work of the General Secretariat, the relationships of the Organization with the world, the laying of bridges with international and regional organisations and some European countries. He urged the Member States to seize the opportunity of the meeting and the appropriate historic timing created by the Makkah Al-Mukarramah historic Summit and the Ten-Year Programme of Action, it adopted. He reviewed the details of the programme components achieved.

The Secretary General talked about the progress achieved with the West regarding Islamophobia in general and the issue of the caricatures and their developments in particular.

He said that it is possible to reach the volume proposed by the 3<sup>rd</sup> Extraordinary Islamic Summit in Makkah Al-Mukarramah. Ilmar Mammad Yarob, Minister of Foreign Affairs of the Republic of Azerbaijan, as Chairman of the 33<sup>rd</sup> Session of the Islamic Conference of Foreign Ministers. 9. The Conference adopted the report of the preparatory Senior Officials' Meeting (SOM) for the current session, held in Jeddah from 8 to 10 Rabi' I 1427H (6-8 May 2006). The Conference adopted the Draft Agenda and Work Program submitted to it by the SOM as well as the reports of the Islamic Committee on Economic, Social and Cultural Affairs and the Permanent Finance Committee.

10. After considering the reports of the Secretary-General and in light of the brilliant statements made and the constructive discussions that took place among the Ministers and Heads of Delegation, the Conference adopted a number of resolutions as follows:

11. The Conference reiterated that the cause of Al-Quds Al-Sharif is the central cause of the Islamic World and stressed the necessity of countering the perils of judaization to which the sacred city is subjected as a consequence of the policies and measures carried out by the Israeli occupation authorities aimed at isolating Al-Quds Al-Sharif from the rest of the occupied Palestinian territories by building the racist Separation Wall, confiscating lands, demolishing homes and expanding colonies around the Holy City. The Conference invited the Member States to support and strengthen the steadfastness of Palestinian citizens in the occupied City of Al-Quds.

12. The Conference affirmed its full support and backing for the Palestinian people in strengthening their national unity and unifying their internal front; and expressed its support for the Palestinian national dialogue efforts and for its steadfastness in the face of the practices of Israeli occupation authorities.

13. The Conference commended the Palestinian legislative elections, which reaffirmed that the Palestinian people deserve their right to self-determination and to establish their independent State. It called upon the international community to respect the democratic choice made by the Palestinian people, and expressed full support for the Palestinian National Authority and the Palestinian national dialogue aimed at affirming the unity of the Palestinian rank and finding the effective ways and means of establishing the independent Palestinian State and achieving peace on the two States basis, pursuant to the relevant United Nations resolutions, the Arab peace initiative and the roadmap.

14. The Conference condemned the Israeli measures imposed at the crossings in Gaza Strip and the West Bank in violation of the provisions of the international humanitarian law and the Agreement on Crossings reached under the aegis of the Quartet. The Conference condemned Israel for seizing the Palestinian National Authority's funds and warned against further imposition of such arbitrary measures which affect the various aspects of the daily lives of the Palestinian people.

15. The Conference expressed its appreciation for the role played by the Islamic States in supporting the Palestinian people, and called upon the Member States and the financial funds to provide more support to help the Palestinian people cope with the economic embargo imposed on them and avoid a humanitarian disaster in the occupied Palestinian territories.

16. The Conference also called upon the States and bodies that have stopped their assistance to the Palestinian people after the Palestinian legislative elections to review their positions and not to punish the Palestinian people for their democratic choices. It also urged them to renew their assistance to the Palestinian people and their national authority.

17. The Conference reaffirmed the need to put an end to the Israeli occupation of all the Palestinian and Arab territories occupied since 1967, including East Jerusalem, the occupied Syrian Golan and the remaining occupied Lebanese territories.

18. The Conference affirmed the necessity of reaching a just resolution of the Palestinian question in all its aspects on the basis of international law and legality, and the agreed references, such as the relevant UN resolutions, the principle of land for peace, the impermissibility of occupying others' land by force, the Arab peace initiative, and the roadmap, so as to enable the Palestinian people to achieve their national independence and exercise their sovereignty over their State of Palestine, with Al Quds Al-Sharif as its capital.

19. The Conference affirmed the illegality of the Israeli laws and practices in Eastern Al-Quds, aimed at annexing, judaizing and changing the demographic and geographic character of the city. It requested States and international institutions and bodies to abide by international resolutions on the City of Al-Quds as an integral part of the Palestinian and Arab territories occupied in 1967, and called on them not to participate in any meeting or activity that serves Israel's objectives in establishing its occupation and annexation of the Holy City.

20. The Conference reaffirmed the need to find a just solution to the problem of Palestinian refugees in accordance with the UN resolutions, particularly UN General Assembly Resolution 194 (1948), and reiterated its rejection of all forms of resettlement.

21. The Conference called upon the QUARTET to resume serious work in order to achieve just and comprehensive peace in the Middle East in accordance with the Roadmap and the Arab peace initiative; and affirmed its rejection of the partial solutions and the unilateral measures which Israel has taken or intends to take in the Palestinian territories occupied since 1967, including the city of Al-Quds, in an attempt to anticipate the outcome of the negotiations on final settlement issues and the unilateral demarcation of Israel's borders, as these fulfill its expansionist designs and destroy any chances for the establishment of an independent and sovereign Palestinian State.

22. The Conference affirmed its condemnation of Israel for its continued colonization of Palestinian territories through all forms of settlement activity, and requested the UN Security Council to work toward their immediate ending and to remove the existing settlements in accordance with UNSC Resolution 465 and the advisory opinion of the International Court of Justice. The Conference called upon the UN Security Council also to reinvigorate the International Supervisory and Monitoring Committee in order to prevent settlement in Al-Quds and the other occupied Arab territories in accordance with UNSC Resolution 446.

23. The Conference strongly condemned Israel for its intention to build a housing settlement in the Old City of occupied Al-Quds. It made an urgent appeal to the UN Security Council and the Quartet to immediately act in order to dissuade Israel from executing its plans to judaize occupied Al-Quds and create realities on the ground which constitutes a flagrant violation of the international legitimacy and the Fourth Geneva Conventions as well as the agreements signed with the Palestinian side.

24. The Conference called upon the Member States to commemorate the criminal attempt to burn down the blessed Al-Aqsa Mosque and to mark 21 August of every year as the Day of Islamic Solidarity with Al-Quds and Palestine.

25. The Conference requested the international community to counter the construction of the racist separation wall and its damaging impacts on the

Palestinian people and on their land, waters and borders, and to stop the construction of the wall and remove the existing parts thereof. It invited all States of the world to impose punitive measures against the bodies and companies contributing to the construction of the wall and against settlers, settlement products and all those making profit from any settlement activity on the occupied Palestinian territories, including Al-Quds, in implementation of the advisory opinion of the International Court of Justice and the UN General Assembly Resolution ES-10/15.

26. The Conference condemned Israel for the excavation works around and beneath the blessed Al Aqsa Mosque and for willfully destroying cultural and heritage sites in Al Quds, Nablus and Al-Khaleel (Hebron), and commended the initiative of the Director General of UNESCO concerning the preservation of the historical heritage of the city of Al Quds. In this regard, it resolved to coordinate between the OIC General Secretariat and UNESCO, and invited the Member States to support this initiative and help implement it.

27. The Conference strongly condemned the continuous threats against Islamic and Christian holy places, particularly the threats to storm and damage the blessed Al Aqsa Mosque, and held Israel, the "occupying power", fully responsible for the consequences of these aggressions, particularly as they happen under the eyes and protection of Israeli occupation forces. It condemned terrorism exercised by settler gangs against Palestinian civilians and peace activists coming from all parts of the world to show solidarity with the Palestinian people.

28. The Conference reiterated its firm support and backing for the Syrian Arab Republic's demand and right to regain all of the occupied Syrian Arab Golan to the line of 4 June 1967, on the basis of the peace process and UN resolutions, building on what has been accomplished in post-1991 Madrid Conference negotiations. It reaffirmed the previous Islamic resolutions which reject all the actions taken by the Israeli occupation authorities aimed at changing the legal, natural and demographic status of the occupied Syrian Arab Golan, considering these actions null and void and a violation of international agreements and of the UN Charter and resolutions.

29. The Conference reaffirmed its support for Lebanon in its efforts to complete the liberation of its territories, and in its demands for the release of Lebanese prisoners and detainees in Israeli prisons. It also demanded the UN Security Council to act toward preventing the repeated Israeli violations of Lebanon's sovereignty in land, air and sea, and to force Israel to pay damages for all the losses incurred in the Lebanese territories as a result of its continuous aggressions against Lebanon. It supported Lebanon in its demands for the removal of the mines left behind by the Israeli occupation, as Israel is responsible for laying and removing these mines, and for the need to hand over full mine location maps. It also supported the inalienable rights of Lebanon to utilize its waters in accordance with international law. It condemned Israel's machinations on these waters, and held Israel responsible for any action that would infringe upon Lebanon's sovereignty, political independence, safety of its people and integrity of its territories.

It strongly called on the international community to take, without further delay, concrete steps to end this isolation. Recalling the UN Plan aimed at establishing a new state of affairs in Cyprus in the form of a new bi-zonal partnership with two equal constituent states, the Conference acknowledged that neither side may claim authority or jurisdiction over the other and that the Greek Cypriots do not represent the Turkish Cypriots. The Conference expressed its deep disappointment about the unwillingness on the part of the Greek Cypriot side to find a comprehensive settlement to the Cyprus issue on the basis of the UN plan. It called on the international community to exert pressure on the leadership of the Greek Cypriots to this end. Through a unanimously adopted resolution, the Conference once again urged the Member States to closely associate with the Turkish Cypriots and to increase and expand their relations in all fields; and encouraged the Member States to exchange high-level visits and business delegations, develop cultural relations and sports contacts with the Turkish Cypriot side. It appreciated Pakistan's commitment to the ongoing Composite Dialogue process with India, and called for the dialogue process to be purposeful and result-orientated, leading to a just and final settlement of the Jammu and Kashmir dispute, thus, ensuring durable peace in the region. The Conference welcomed the Pakistani initiatives in the area of confidence-building aimed at alleviating the suffering of Kashmiris on both sides of the Line of Control. 39. The Conference requested the Member States that have pledged donations to the Assistance Fund for the Afghan People to provide more donations in order to strengthen the Fund's resources to help it achieve its noble humanitarian goals for which it was established.

40. The Conference appealed to the international community to speedily provide the assistance it pledged to Afghanistan during the Tokyo Donor Conference held in January 2002 and the Berlin Donor Conference held on 31 March 2004, as well as in the London Conference held on 31 January-1 February 2006.

It totally rejected any attempt to wrongly interpret the provisions United Nations Charter in a way that contradict the principles of the international law on the sovereignty, political independence, territorial integrity of states and the inadmissibility of the use or threat to use force in international relations. In reinforcing these principles, the Conference requested the General Secretariat to circulate the draft OIC Code on Promoting Dialogue, Cooperation and Confidence among Member States, preparatory to the convening of meeting of the Intergovernmental Group of Experts on the Security and Solidarity of Member States to prepare a code of conduct on these three issues.

45. The Conference reiterated its condemnation of the continuing aggression by the Republic of Armenia against the sovereignty and territorial integrity of the Republic of Azerbaijan, which constitutes a blatant violation of the principles of the United Nations Charter and international law. It called for total, unconditional, and immediate withdrawal of the Armenian forces from all the occupied Azerbaijani territories. 50. The Conference highlighted that in the current era of regional blocks, the OIC is the largest institution after the United Nations, which brings together one-fifth of the world population. Keeping in view the significant demographic and political weight of the Muslim world, the reform of the Security Council also bears particular importance, not only from the perspective of increased efficiency, but also to ensure the representation of the main forms of civilization, including the adequate representation of the Muslim world in any category of an expanded Security Council.

### BAKU DECLARATION

**Adopted by the 33<sup>rd</sup> Session of the Islamic Conference of Foreign Ministers**

**Session of Harmony of Rights, Freedoms and Justice**

**23 - 25 Jumada Al-Awwal 1427H (June 19 - 21, 2006), Baku, Azerbaijan**

We, the Ministers of Foreign Affairs of the Member States of the Organization of the Islamic Conference and the Heads of Delegation participating in the Thirty-Third Session of the Islamic Conference of Foreign Ministers (Session of Harmony of Rights, Freedoms and Justice), held in Baku, Republic of Azerbaijan, on 23 - 25 Jumada Al-Awwal 1427H (June 19 - 21, 2006), having discussed the main issues facing the Islamic Ummah declare the following:

1. We reiterate our adherence to the purposes, objectives and principles of the Charter of the Organization of the Islamic Conference and once again reaffirm our commitment to the implementation of the resolutions adopted by the OIC Summit and Ministerial Conferences.
2. We reiterate our devotion to the noble ideas of peace, humanism and tolerance to aptly respond to the challenges facing humanity in the 21<sup>st</sup> century. Recent defiances confronting Islam compel us to further unite around our values and display solidarity.
3. We support the continuation of reforms in the economic, social and cultural areas, as well as in the spheres of democratization, transparency and strengthening the role of civil society in the OIC Member States and consider it important to protect cultural, religious and racial diversity. This diversity must not be a source of conflict but rather a source of mutual enrichment and dialogue among religions and civilizations.
4. We express our deep concern over the growing tendency towards Islamophobia and call for concrete efforts to enhance dialogue and broaden understanding among civilizations, cultures and religions by promoting tolerance, respect for and freedom of religion and belief. In this regard, we welcome the work of the OIC General Secretariat to establish the OIC Observatory aimed at monitoring manifestations of Islamophobia. Establishment of contacts between the relevant institutions of the OIC and the European Union in developing secondary school programmes on Islam has special relevance in this context. We invite all OIC Member States to organize programs such as announcing a year/month/week for commemoration of the prophet Mohammad (PBUH). We deem it also important to raise public awareness throughout the world on the tenets and values of Islam, including among the youth, and underline the crucial role of mass media in this regard. We therefore welcome the proposal of Azerbaijan to host an OIC Conference on the role of media in the development of tolerance and mutual understanding in 2007 in Baku.
5. Considering the importance of dialogue among civilizations and expansion of relations between the Islamic world and other cultures and civilizations, we address the international community and declare our commitment to broader contacts and exchanges and to the harmony of peace, freedom, rights and justice.

6. We strongly condemn terrorism in all its forms and manifestations, express deep sympathy with and support for the countries that fell victims to terrorist attacks, and denounce any attempts to link terrorism with any religion, culture and people as this global scourge does not have any religious or national affiliation. We reaffirm our commitment to strengthen cooperation in fighting and eliminating terrorism through, inter alia, exchange of information and strengthening capacity-building. In doing so, we should benefit from the experience of OIC Member States in fighting terrorism through, among other means, the promotion of national reconciliation policy in order to achieve peace.

7. At present the international community is facing new global threats and challenges which demand strengthening of international cooperation to jointly fight in a comprehensive and concerted manner against international terrorism, transnational crime, illicit weapons and drug trafficking and trafficking in persons. In this connection, we endorse the Report and the Declaration of the First Conference of Islamic countries Police Chiefs held in Isfahan, the Islamic Republic of Iran, from 15 to 17 May 2006. We support the establishment of the Conference of the Heads of Law-Enforcement Agencies of the OIC Member States and welcome the offer of Azerbaijan to host a meeting at the level of experts in Baku in preparation of the next Conference.

8. We reaffirm that speedy peaceful settlement of the Arab-Israeli conflict is a principal objective of our Organization and the key problem for our Ummah. Protection of the rights of the Palestinian people, the establishment of the Palestinian state with Al-Quds Al-Sharif as its capital, liberation of all occupied Arab territories in Palestine, Syria and Lebanon, return of all Palestinian refugees and internally displaced persons to their homes and properties, implementation of UN Security Council resolutions 242 and 338, and UN General Assembly resolution 194, are the basic conditions for the establishment of peace and security in the Middle East. We respect the outcome of the elections held in Palestine on the 25<sup>th</sup> of January 2006 and support the democratic steps taken by the Palestinian people to form their legitimate government. We reiterate our support to the Arab peace initiative adopted at the Beirut Arab Summit and the "Road Map" and "Land for peace" principle, and appeal to the U.S.A., the European Union and other donors to resume rendering assistance to the Palestinian people. We call upon the Quartet to speedily resume the peace process and not to recognize unilateral Israeli measures contradictory to the principles of the peace process.

9. We invite the Member States to join Al-Aqsa and Al-Quds Funds and extend existing partnership to finance projects that would strengthen the capabilities of the Palestinian economy as well as programmes to alleviate people's suffering through the implementation mechanisms which proved to be efficient under the management of the Islamic Development Bank and provide voluntary donations to both Bait Mal Al-Quds and Al-Quds Funds.

10. We strongly support the sovereignty and territorial integrity of Iraq. We request the Secretary-General to explore practical ways of ensuring a strengthened OIC role in promoting peace and stability in Iraq. We also affirm the need to put an end to terrorist armed actions in Iraq, to establish stability and security in this brotherly country, complete reconstruction work, and continue to render necessary economic, material and moral support to the government and people of Iraq. In

this connection we welcome the Ninth meeting of the neighbouring countries of Iraq to be held in the Islamic Republic of Iran from 8 to 10 July 2006.

11. Recognizing significant progress achieved recently in the Islamic Republic of Afghanistan towards peace, democracy, human rights and nation-building, we remain committed to continued comprehensive assistance to the government and people of Afghanistan to reinforce the ongoing reconstruction process.

12. We reaffirm the basic and inalienable right of all Member States to develop research, production and the use of atomic energy for peaceful purposes in conformity with their respective legal obligations. We believe that all issues on IAEA safeguards and verification, including those of Iran, should be resolved within the IAEA framework as the competent authority for verification of respective IAEA safeguards obligations of Member States. Thus we express our conviction that the only way to resolve the Iran's nuclear issue is to resume negotiations without any preconditions and to enhance cooperation with the involvement of all relevant parties with the view to facilitate the Agency's work on resolving the outstanding issues.

13. We consider the establishment of a nuclear weapons-free zone as a positive step towards attaining the objective of global nuclear disarmament and reiterate our support for the establishment of a nuclear weapons-free zone in the Middle East, in accordance with the relevant UN General Assembly and Security Council resolutions. Pending the establishment of such a zone, we demand Israel's accession to the NPT without delay and prompt placement of all its nuclear facilities under IAEA Comprehensive Safeguards System.

14. We once again strongly condemn the aggression of the Republic of Armenia against the Republic of Azerbaijan and urge immediate, complete and unconditional withdrawal of Armenian occupying forces from the occupied territories of Azerbaijan. We consider the illegal transfer of Armenian population into the occupied Azerbaijani territories, illegal economic activities and exploitation of natural resources in the occupied territories detrimental to the peace process. We condemn the continued destruction of Azerbaijani cultural and historical monuments and demand from Armenia to compensate Azerbaijan in accordance with international law for the material damage inflicted by Armenia. We express our deep concern over recent massive fires in the occupied territories and demand the occupying forces to take urgent measures to prevent ecological disaster. We appeal to international community to undertake all necessary measures for the peaceful resolution of the conflict. We urge the OIC Member States to support Azerbaijan on the issue of full restoration of its territorial integrity and sovereignty.

15. We express our support for the process of settlement of the Cyprus problem on the basis of political equality of the two parties, and reaffirm our solidarity with our Muslim brothers and sisters in Northern Cyprus. We appeal to the international community, including the OIC Member States to make all necessary efforts to put an end to the isolation of the Turkish Cypriots and to build cooperation in economic, cultural, scientific, technological and other fields.

16. We reaffirm support to the people of Jammu and Kashmir for their inalienable right to self-determination in accordance with the relevant UN Security Council resolutions and the aspirations of the Kashmiri people. We call for respect of the human rights of the Kashmiri people, and agree to provide all possible political and

diplomatic support to the true representatives of the Kashmiri people in their struggle against foreign occupation.

17. We commend the recent positive developments to achieve peace and national reconciliation in the Sudan with the participation of all Sudanese political forces, and we call on the OIC Member States and the international community to support the reconstruction of the Sudan in order to achieve prosperity and preserve its unity.

18. We commend the establishment of the all-inclusive Somali transitional federal institutions. We reiterate our commitment to Somalia's unity, sovereignty, territorial integrity and political independence. We call on all Somali factions to be engaged in the national reconciliation efforts with the Somali transitional federal government.

19. We consider it important to intensify efforts on full implementation of the initiatives to establish common market and free trade zone in the Islamic countries and deem it necessary to encourage the development of trade between the OIC Member States. Noting the importance of multilateral negotiations with the World Trade Organization on trade liberalization, we also deem it important to hold consultations, with support of the OIC economic institutions, on review of the issues on agenda of the WTO negotiations.

20. We emphasize the importance of regional and inter-regional cooperation and encourage cooperation aimed at improvement of inter-regional connectivity, as well as exploitation and transportation of energy resources of the OIC Member States as an essential factor for their social and economic development.

21. We note once again the problems and needs of the landlocked OIC Member States and consider it important to render necessary financial and technical assistance by the relevant Islamic financial institutions to these countries to improve their transit transport systems.

22. We decide to issue inventory of archaeological, historical, cultural and religious monuments in the OIC Member States related to Islamic heritage and investigate damage to them caused by acts of aggression, war or any other kind of violence under the auspices of the Islamic Educational, Scientific and Cultural Organization and the Research Centre for Islamic History, Art and Culture.

23. We commend the efforts taken by the OIC and all its institutions in undertaking tasks assigned to them with regard to strengthening cooperation within the framework of the Ten Year Programme of Action.

24. While recalling the Ten Year Programme of Action and the decisions of the 3<sup>rd</sup> Extraordinary Islamic Summit Conference including the establishment of a Fund to fight poverty, we express heartfelt thanks to the Custodian of the Two Holy Mosques, King Abdullah Bin Abdul Aziz for the generous donation of 1 billion US dollars to support the Fund.

25. We call for a comprehensive reform of the UN Security Council in all its aspects, so as to make it more democratic, representative, transparent and accountable. We reaffirm our principled position on the adequate representation of the OIC Member States in any category of membership in an extended UN Security Council.

26. We call upon all OIC Member States to vote for resolutions submitted on behalf of the OIC at international fora, in particular at the United Nations.
27. We welcome the establishment of the OIC Group in Vienna with the purpose to discuss issues of common interest for the OIC Member States. In order to foster contacts and coordination within the international organizations based in Vienna, we task the Administrative and Financial Committee and the OIC General Secretariat to study the issue of the establishment of the OIC Observer Mission in Vienna, as well as assess the role of the other existing OIC observer missions and to report on the matter to the next ICFM, and request the OIC General Secretariat to expedite the establishment of the OIC Observer Mission in Brussels.
28. For the improvement of the process of political consultations and decision-making process in the OIC we invite Member States to consider the issue of establishing permanent missions of the Member States to the OIC Headquarters.
29. We express our sympathy with the government and people of Indonesia in connection with the recent devastating earthquake, and consider it important to render economic and humanitarian assistance to the OIC Member States affected by natural disasters, epidemics, economic crises, conflicts and refugee problems.
30. We express our thanks and gratitude to the OIC Secretary General and the staff of the Organization for their active role in accelerating the process of the reform of the General Secretariat, and for developing of a new culture of work which proved instrumental in effectively dealing with various issues such as the implementation of the Ten Year Programme of Action. We also appreciate the role played by the Secretary General in furthering the interests of the Muslim World through his high-level contacts with international and regional organizations, as well as with key Western states. This was manifested in his dealings with the issue of Islamophobia and the blasphemous cartoons.
31. We extend our deep appreciation to the government and people of brotherly Azerbaijan for the warm hospitality and excellent organization of the 33<sup>rd</sup> ICFM.

State and a peace founded on the principle of two States in accordance with the relevant UN resolutions, the Arab Peace Initiative and the Road Map.

**4. Affirms** the necessity of reaching a just solution to the Palestinian cause in all its aspects on the basis of international law and legitimacy and the terms of reference agreed upon, embodied in the relevant UN resolutions, the principle of land for peace and the inadmissibility of acquisition of others' territory by force, the Arab peace initiative and the Roadmap, such as to enable the Palestinian people to achieve their national independence and exercise their sovereignty in their Palestinian State and its capital Al-Quds Al-Sharif.

**5. Affirms** the illegality of the Israeli laws and practices in Al-Quds Al-Sharif, aimed at annexing, judaizing and changing the demographic make-up of the city. Demands States and international institutions and bodies to abide by international resolutions on the City of Al-Quds as an integral part of the Palestinian and Arab territories occupied in 1967; and calls on them also to not participate in any meeting or activity that serves Israel's objectives in establishing its occupation and annexation of the Holy City.

Reaffirms** its commitment to and support for the Arab peace initiative and the Roadmap, and rejects the stands that run counter to the rules of international legitimacy and the terms of reference of the peace process enshrined in the two speeches of the Israeli Prime Minister and the American President, including those stands that attempt to anticipate the outcomes of negotiations on the final settlement issues. **Demands** all States and international organizations to not recognize or deal with any guarantees or promises undermining the legitimate rights of the Palestinian people and rewarding the Israeli occupation which seeks to impose its conditions through the policy of *fait accompli*.

**8. Calls upon** the QUARTET to resume serious work in order to achieve just and comprehensive peace in the Middle East in accordance with the Roadmap and the Arab peace initiative, to affirm the Palestinian territorial unity and integrity, including Al-Quds Al-Sharif, to **reject** any changes in the legal status of only a part of this territory, and to **exclude** the option of a State with temporary borders.

**9. Reiterates** its rejection of the Israeli fragmentary solutions and unilateral measures which Israel has adopted or intends to adopt in the Palestinian territories occupied in 1967, including Al-Quds/Jerusalem, through which Israel is trying to preempt the outcome of the negotiations around the issues of the final status, and the unilateral border demarcation on the part of Israel in such a way as to fulfill its expansionist and intentions which thus undermines the chances of the emergence of an independent and sovereign Palestinian State.

**10. Invites** the UN Security Council to assume its responsibility in maintaining international peace and security by forcing Israel to put an end to its occupation of the Palestine and Arab territories and aggression and its illegal measures and practices embodied in the killing of civilians, detention, collective punishment, siege and destruction of the Palestinian economy.

**11. Affirms** its condemnation of Israel's continued colonization of the Palestinian territories through all forms of settlement activity, and requests the UN Security Council to see to their immediate ending and prohibition and to remove the existing Israeli settlements in accordance with UNSC resolution 465 and the advisory opinion of the International Court of Justice. **12. Strongly condemns** Israel, "the occupying power", for continuing to build the expansionist wall on Palestinian territories, including the so-called "Jerusalem Envelope" which is aimed at tearing apart Al-Quds and isolating its population. It **stresses** the extreme importance of the advisory opinion of the International Court of Justice issued in this connection and the UN General Assembly's decision providing for the need for Israel, the UN Member States and the UN itself to abide by their legal obligations, including the appeal launched by the General Assembly of Switzerland, in its capacity as the State wherewith the Fourth Geneva Convention is deposited, to make the necessary consultations to convene a meeting of the high contracting parties to the Fourth Geneva Convention of 1949.

**13. Urges** the international community to counter the construction of the segregationist separation wall in the occupied Palestinian territories and its damaging impacts on the Palestinian people and their land, waters and borders, and the need to stop the construction of the wall and removing the existing parts thereof. It **invites** all States of the world to impose punitive measures against the bodies and companies contributing to the construction of the wall and against settlers, settlement products and all those making profit of any settlement activity on the occupied Palestinian territories, including Al-Quds, in implementation of the advisory opinion of the International Court of Justice and the UN General Assembly resolution ES-10/15.

In this regard, **resolves** to coordinate between the OIC General Secretariat and the UNESCO, and **invites** the Member States to support this initiative and help implement it.

**15. Strongly condemns** the Israeli schemes attempting to seize and annex the area of Ghor, the Read Sea, the Eastern slopes of the West Bank mountains, and to cut the remaining territories into three isolated cantons to prevent the possibility of the emergence of an independent contiguous Palestinian State on the Palestinian territories.

**16. Condemns** Israel for plundering, moving and sabotaging cultural assets in numerous Palestinian cultural centers and museums, and **demands** the

**18. Strongly condemns** Israel for its continued aggressions against the Islamic and Christian sanctities, and particularly for its repeated threats to break into and damage the blessed Al Aqsa Mosque; and holds Israel, as the "occupying power", fully responsible for the consequences of these aggressions, which are carried out particularly as they happen under the witness and protection of Israeli occupation forces. It condemns terrorism exercised by settler gangs against Palestinian civilians and peace activists.

**19. **21. Condemns** the flagrant Israeli aggression that targeted the Jericho Prison and the abduction of a number of Palestinian national figures who were held there, in what must be considered as a blatant violation of the Geneva Agreements and international law. **It also invites** the international community, and more particularly the Quartet Committee to condemn such a criminal act and assume full responsibility in ensuring the abducted person's safety and security and to exert efforts to impress upon Israel to release them and to ensure non-recurrence of such aggressions and exactions that violates the concluded agreements.

**22. Expresses deep concern** over the tragic conditions endured by the Palestinian and Arab detainees in Israeli jails and detention centres, and urges the international community, represented in the humanitarian and justice defending organizations to expose the inhuman practices in Israeli prisons and exercise pressure on Israel to release the concerned detainees in compliance with the concluded agreements and understandings.

**23. Commends** the efforts put in by the Islamic Development Bank both in managing the Al-Aqsa and Al-Quds Funds, and in contributing from its own resources to finance the building, and equipment of health and educational facilities.

**24. Invites** the Member States that have not yet joined the two funds to do so, and urges volunteering institutions to utilize the technical capacities and the contracting and disbursement mechanisms provided by the IDB in order to finance programmes and projects that meet the priority needs of the Palestinian people according to the best professional standards and practices.

**25. Entrusts** the General Secretariat and the Islamic Development Bank to make consultations to mobilize resources in order to support the Al-Aqsa and Al-Quds funds from the rest of OIC Member States, and to issue appropriate resolutions to increase the Funds' resources and contributions.

**26. Affirms** its determined support and backing for the Syrian Arab Republic's demand and right to restore the totality of the occupied Syrian Arab Golan to the line of 4 June 1967, on the basis of the peace process and the resolutions of international legitimacy, building on what has been accomplished in post-1991 Madrid Conference negotiations. It reaffirms the previous Islamic resolutions which reject all the actions taken by the Israeli occupation authorities aimed at changing the legal, natural and demographic status of the occupied Syrian Arab Golan, considering these actions null and void and a violation to international agreements and to UN Charter and resolutions.

**27. Emphasizes** that the continued occupation of the Syrian Arab Golan constitutes a permanent threat to peace and security in the region and the world, and strongly condemns the Israeli practices of building and expanding settlements. It urges the international community to hold to the resolutions of international legitimacy, and renews its support and backing for the steadfastness of the Arab citizens in the occupied Arab Syrian Golan in countering occupation and its oppressive practices, as well as their determination to hold fast to their land and Syrian Arab identity.

**28. Reaffirms** its support for Lebanon in its efforts to complete the liberation of all its territories up to the internationally recognized borders, and in its demands to release Lebanese prisoners and detainees in Israeli prisons. **Also demands** the UN Security Council to act toward preventing the repeated Israeli violations of Lebanon's sovereignty in land, air and sea,

**29.** and to force Israel to pay damages for all the losses sustained by the Lebanese territories as a result of its continuous aggressions against Lebanon. It **supports** Lebanon in its demands for the removal of the mines left behind by the Israeli occupation, as Israel is responsible for laying and removing these mines, and for the need to hand over full mine location maps. **It also supports** the inalienable rights of Lebanon to utilize its waters in accordance with the international law, **condemns** Israel's designs on these waters, and holds Israel responsible for any action that would infringe upon Lebanon's sovereignty, political independence, safety of its people and integrity of its territories.

**30. IAEA a factual statement on its capabilities and stockpile of nuclear weapons and substances, given the fact that those are imperative steps toward making the Middle East a WMD-free area, particularly of nuclear weapons, which is essential to the establishment of a comprehensive and just peace in the region.

**31. Requests** the Secretary-General to follow up on the implementation of the present resolution and to report thereon to the 34<sup>th</sup> Session of the Islamic Conference of Foreign Ministers.

**RESOLUTION No. 2/33-PAL**  
**ON THE OCCUPIED SYRIAN GOLAN**

**Deeply concerned** at Israel's persistent attempts to defy the will of the international community and its reaffirmation of the annexation decisions considered null and void and illegitimate by the international community;

**Affirming** that the Geneva Convention on the Protection of Civilians in times of War (dated 12 August 1949) applies to the occupied Syrian Golan and that setting up settlements and bringing settlers to this area violates this Convention and destroys the peace process;

**Expressing** concern over Israel's undermining of the Peace Process which was launched by the Madrid Conference on the basis of the Security Council resolutions 242 and 338, as well as the land-for-peace formula and the risks resulting from Israel's reneging on the commitments and obligations reached,
