Executive Board

**Annual session 2007**

4-8 June 2007

Item 9 (b) of the provisional agenda\*

### **Recommendation for approval of additional other resources for approved country and intercountry programmes**

#### *Summary*

The present report contains recommendations to increase the other resources ceilings for country programmes and intercountry programmes previously approved by the Executive Board, because the contributions to other resources for the country and intercountry programmes have exceeded, or are expected to exceed, the planning levels originally approved by the Board.

It is recommended that the Executive Board approve a total of \$405,571,078 in other resources for the approved country and intercountry programmes for the 36 countries and the intercountry programmes discussed in the present report, for the remaining periods of these programmes, subject to the availability of other resources contributions

## **Eastern and Southern Africa region**

### **Comoros**

1. The country programme for Comoros for the period 2003-2007 (E/ICEF/2002/P/L.2/Add.1) was approved by the Executive Board at the second regular session of 2002 with an other resources ceiling of \$2,500,000. To date, the country programme has received \$3,204,151 in other resources. The funds have been used for quality education and water and sanitation in schools. It is anticipated that additional other resources for the child survival and child protection programmes will be received in 2007. Therefore, an increase of \$1,500,000 in the other resources ceiling is requested, for a total of \$4,000,000 for the period of the country programme.

### **Lesotho**

2. The country programme for Lesotho for the period 2002-2007 (E/ICEF/2001/P/L.3/Add.1) was approved by the Executive Board at the second regular session of 2001 with an other resources ceiling of \$13,500,000. To date, the country programme has received \$14,343,977 in other resources. The funds have been used for the four main programme areas: child survival, care and development; education; adolescents and youth development; and social policy and planning. It is anticipated that additional other resources will be received during 2007 for orphans and vulnerable children (OVCs) and for paediatric AIDS projects. Therefore, an increase of \$5,600,000 in the other resources ceiling is requested, for a total of \$19,100,000 for the period of the country programme.

### **Malawi**

3. The country programme for Malawi for 2007 (E/ICEF/2006/P/L.3) was approved by the Executive Board at the annual session of 2006 with an other resources ceiling of \$19,055,000. To date, the country programme has received \$18,168,293 in other resources for health and nutrition, child protection, education, social policy and advocacy and water and environmental sanitation (WES). It is anticipated that additional other resources will be received during 2007 for health, child protection, education and WES programmes in the amount of \$30,800,000. Therefore, an increase of \$31,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$50,055,000 for the period of the country programme.

### **Zimbabwe**

4. The country programme for Zimbabwe for the period 2007-2011 (E/ICEF/2006/P/L.6/Rev.1) was approved by the Executive Board at the second regular session of 2006 with an other resources ceiling of \$80,000,000. To date, the country programme has received or signed Memoranda of Understanding or agreements for \$113,800,000 in other resources. It is anticipated that additional other resources will be received during 2007-2011 for: (a) the child protection programme, especially support for OVCs; (b) the young child survival and development programme, for immunization, nutrition and malaria control; (c) the basic education and gender equality programme; and (d) the HIV/AIDS and young people's development programme. Therefore, an increase of \$60,000,000 in the

other resources ceiling is requested, for a total of \$140,000,000 for the period of the country programme.

## **West and Central Africa region**

### **Benin**

5. The country programme for Benin for the period 2004-2008 (E/ICEF/2003/P/L.5) was approved by the Executive Board at the annual session of 2003 with an other resources ceiling of \$16,000,000. The ceiling was subsequently increased to \$30,000,000 at the second regular session of 2006 (E/ICEF/2006/P/L.63). The country programme aims to contribute directly to Benin's poverty reduction strategy, as well as the goals of the United Nations Development Assistance Framework and the Millennium Development Goals for increasing access to basic social services, reducing under-five and maternal mortality, promoting access to education, especially for girls, reducing the transmission of HIV/AIDS and protecting the vulnerable. It is anticipated that an additional \$15,000,000 in other resources will be received in 2007-2008 to support the expansion of ongoing activities in the areas of girls' education, maternal, newborn and child survival and development and child protection. Therefore, an increase of \$20,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$50,000,000 for the period of the country programme.

### **Cameroon**

6. The country programme for Cameroon for the period 2003-2007 (E/ICEF/2002/P/L.3/Add.1) was approved by the Executive Board at its second regular session of 2002 with an other resources ceiling of \$8,000,000. The ceiling was increased to \$14,000,000 by the Executive Board at the second regular session of 2005 (E/ICEF/2005/P/L.22) and to \$18,000,000 at the second regular session of 2006 (E/ICEF/2006/P/L.63). To date, the programme has received a total of \$19,408,982 in other resources. These funds have been utilized and/or allocated to four of the six sectoral components of the country programme. It is anticipated that \$4,000,000 in other resources will be required for the last year of the country programme cycle. These funds will contribute to polio eradication through the organization of National Immunization Days, to prevention of mother-to-child transmission of HIV (PMTCT) and to psychosocial support for OVCs. Therefore, an increase of \$4,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$22,000,000 for the period of the country programme.

### **Democratic Republic of the Congo**

7. The country programme for the Democratic Republic of the Congo for the period 2006-2007 (E/ICEF/2005/P/L.33) was approved by the Executive Board at the second regular session of 2005 with an other resources ceiling of \$50,000,000. Subsequently, at its 2006 second regular session, the Executive Board approved an increase of the other resources ceiling to \$90,000,000 (E/ICEF/2006/P/L.63). To date, the country programme has received \$59,829,380 in other resources. The funds have been used to accelerate child survival through large-scale, high-impact activities; improve access to primary schooling and community-based water and sanitation facilities; fight major human rights violations and violence against women

and children affected by armed conflict, including care for victims of gender-based sexual violence and children associated with armed groups; and promote a comprehensive environment for children.

8. Given the political stabilization of the country, the new and innovative country assessment framework aligning 90 per cent of total aid to the country, and the declaration of interest by several donors, it is anticipated that \$65,000,000 in additional other resources will be received during 2007 for: (a) child survival, to gear up large-scale high-impact activities combining immunization, vitamin A supplementation, deworming and distribution of impregnated bednets; (b) primary education, to accelerate the initiative for abolition of school fees and national back-to-school campaigns for hundreds of thousands of children affected by the conflict; and (c) rural water and sanitation, an a sector where UNICEF is a leader and which is a high priority for improving child survival, education and living conditions. Therefore, an increase of \$20,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$110,000,000 for the period of the country programme.

### **Equatorial Guinea**

9. The short-duration country programme for Equatorial Guinea for the period 2007 (E/ICEF/2006/P/L.7) was approved by the Executive Board at the annual session of 2006 with an other resources ceiling of \$390,000. To date, the country programme has an amount of \$1,071,999 available in other resources which are being used for policy development, advocacy and partnerships and child survival and development programmes. It is anticipated that an additional \$400,000 will be raised in 2007 for achieving results in child survival and development and HIV/AIDS, priorities for the country programme. Therefore, an increase of \$1,100,000 in the other resources ceiling is requested, for a total other resources ceiling of \$1,490,000 for the period of the country programme.

### **Ghana**

10. The country programme for Ghana for the period 2006-2010 (E/ICEF/2005/P/L.4) was approved by the Executive Board at the annual session of 2005 with another resources ceiling of \$56,400,000. To date, the country programme has received \$29,326,337 in other resources. The funds have been used for health and nutrition, water and sanitation, child protection and advocacy, communication, monitoring and analysis. It is anticipated that additional other resources will be received during 2007-2010 for health and nutrition (including PMTCT), water and sanitation, education, advocacy, communication, monitoring and analysis. Therefore, an increase of \$26,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$82,410,000 for the period of the country programme.

### **Liberia**

11. The short-duration country programme for Liberia for 2007 (E/ICEF/2006/P/L.42) was approved by the Executive Board at its annual session of 2005 with an other resources ceiling of \$5,820,000. To date, the country programme has received \$4,637,546 in other resources. The funds have been used for health, education, child protection, water and sanitation. It is anticipated that an additional

\$3,000,000 will be required to continue these programmes. Therefore, an increase of \$3,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$8,820,000 for the period of the country programme.

### **Nigeria**

12. The country programme for Nigeria for the period 2002-2007 (E/ICEF/2001/P/L.15/Add.1) was approved by the Executive Board at the second regular session of 2001 with an other resources ceiling of \$72,000,000. This ceiling was subsequently revised to \$188,400,000 at the annual session of 2005 (E/ICEF/2005/P/L.22). To date, the country programme has received \$200,065,839 in other resources. The funds have been used for immunization, water and sanitation and girls' education. It is anticipated that an additional \$17,000,000 in other resources will be received during 2007 for health, water, sanitation and hygiene (WASH) and HIV/AIDS programmes. Therefore, an increase of \$30,800,000 in the other resources ceiling is requested, for a total other resources ceiling of \$219,200,000 for the period of the country programme.

### **Sierra Leone**

13. The country programme for Sierra Leone for the period 2004-2007 (E/ICEF/2003/P/L.8) was approved by the Executive Board at the annual session of 2003 with an other resources ceiling of \$16,000,000. The ceiling was subsequently increased to \$24,000,000 by the Executive Board at the second regular session of 2006 (E/ICEF/2006/P.L.63). To date, the country programme has received close to \$29,745,000 million in other resources which have been used for health and nutrition, WASH, HIV/AIDS, child protection and education programmes. It is anticipated that additional other resources will be received during 2007 for the health and nutrition, WASH and education programmes. Therefore, an increase of \$10,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$34,000,000 for the period of the country programme.

## **East Asia and the Pacific region**

### **Philippines**

14. The country programme for the Philippines for the period 2005-2009 (E/ICEF/2004/P/L.9) was approved by the Executive Board at the annual session of 2004 with an other resources ceiling of \$32,000,000. To date, the country programme has received \$32,065,974 in other resources. The funds have been used for the integrated and multisectoral child-friendly movement (which consists of communication, education, HIV, health and nutrition, child protection, local policy and cross-sectoral planning and evaluation) and for emergency relief. It is anticipated that an additional \$15 million in other resources will be received to continue these programmes, as well as the child-friendly movement, particularly in the Visayas and Luzon islands, multisectoral programme interventions in areas affected by armed conflict and support to the Department of Education to address the massive shortfall in classroom facilities. Therefore, an increase of \$15,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$47,000,000 for the period of the country programme.

### **Russian Federation**

34. The country programme for the Russian Federation for 2006-2010 (E/ICEF/2005/P/L.17) was approved by the Executive Board at the annual session of 2005 with an other resources ceiling of \$21,000,000. To date, the country programme has received \$19,166,916 in other resources for HIV/AIDS and young peoples' health and development, child protection, advocacy, information and public policy for children's rights, and children in the North Caucasus region. It is anticipated that additional other resources will be received during 2007-2010 for child protection, young peoples' health and development and for the North Caucasus. Therefore, an increase of \$20,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$41,000,000 for the period of the country programme.

### **Turkmenistan**

35. The country programme for Turkmenistan for 2005-2009 (E/ICEF/2004/P/L.19) was approved by the Executive Board at the annual session of 2004 with an other resources ceiling of \$1,300,000. To date, the country programme has received \$1,930,278 in other resources. The funds have been used for child rights promotion, a multiple indicator cluster survey, alternative care for children, basic education and gender equality, integrated delivery of health services, young child survival and development, HIV/AIDS prevention, and prevention of avian and human influenza. It is anticipated that additional other resources will be received during 2007-2009 for child protection, social policy, young child survival and development, quality basic education and HIV prevention among young people. Therefore, an increase of \$3,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$4,300,000 for the period of the country programme.

### **Ukraine**

36. The country programme for Ukraine for 2006-2010 (E/ICEF/2005/P/L.19) was approved by the Executive Board at the annual session of 2005 with an other resources ceiling of \$7,520,000. To date, the country programme has received \$10,661,337 in other resources for HIV/AIDS; micronutrient malnutrition; child-friendly services; child protection, including deinstitutionalization and prevention of abandonment of children; prevention of avian and human influenza; and policy development. It is anticipated that additional other resources will be received during 2007-2010 for HIV prevention among young people, PMTCT and HIV-positive children, child health and development (child-friendly services, micronutrient malnutrition, immunization), child protection (childcare reform, prevention of violence and abuse), and child rights advocacy, monitoring and promotion. Also included is \$5,600,000 for a measles/rubella vaccination campaign. Therefore, an increase of \$14,080,000 in the other resources ceiling is requested, for a total other resources ceiling of \$21,600,000 for the period of the country programme.

### **Uzbekistan**

37. The country programme for Uzbekistan for the period 2005-2009 (E/ICEF/2004/P/L.20) was approved by the Executive Board at the annual session of 2004 with an other resources ceiling of \$8,560,000. To date, the country programme has received \$7,690,243 in other resources for health, nutrition, education, child protection, HIV/AIDS, policy studies and emergency interventions. It is anticipated that additional other resources will be received during 2007-2009 for the measles/rubella campaign (\$5,500,000) and for health, child protection and emergency interventions. Therefore, an increase of \$6,500,000 in the other resources ceiling is requested, for a total other resources ceiling of \$15,060,000 for the period of the country programme.

### **Intercountry programmes**

38. The intercountry programmes, which cover headquarters, the seven regional offices and six intercountry programmes, were approved by the Executive Board at the first regular session of 2006 (E/ICEF/2006/P/L.1) with an other resources ceiling of \$302,200,000 for the 2006-2007 biennium. The intercountry programmes support the goals and targets of the medium-term strategic plan for 2006-2009. To date, the total programme has received \$260,000,000 in other resources and it is anticipated to receive additional other resources of \$129,000,000. Therefore, an increase of \$87,000,000 in the other resources ceiling is requested, for a total other resources ceiling of \$387,000,000 for the 2006-2007 biennium.

### **Recommendation**

39. It is recommended that the Executive Board approve the other resources ceilings for the approved country programmes for the 36 countries listed in table 1 and the intercountry programmes listed in table 2 of document E/ICEF/2007/P/L.28 for the remaining periods of these programmes, subject to the availability of other resources contributions.
