LETTER DATED 4 APRIL 1989 FROM THE PERMANENT REPRESENTATIVE OF SOUTH
AFRICA TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

I have the honour to refer to the undertakings which SWAPO made to you concerning its participation in the cessation of hostilities in terms of the Protocol of Geneva, signed on 8 August 1988 by representatives of the People's Republic of Angola, the Republic of Cuba and the Republic of South Africa as well as the cease-fire provided for in Security Council resolution 632 (1989).

In the light of SWAPO's incursion into Namibian territory on 31 March 1989 and subsequent escalation of the resulting conflict situation in defiance of Security Council resolutions 435 (1978), 629 (1989) and 632 (1989), I have been instructed to provide you with the attached copy of the Protocol, with the request that it be circulated as a document of the Security Council.

(Signed) Jeremy B. SHEARAR
Permanent Representative

Protocol of Geneva

Delegations representing the Governments of the People's Republic of Angola/ Republic of Cuba, and the Republic of South Africa, meeting in Geneva, Switzerland, 2-5 August 1988, with the mediation of Dr. Chester A. Crocker, Assistant Secretary of State for African Affairs, United States of America, have agreed as follows:

1. Each side agrees to recommend to the Secretary-General of the United Nations that 1 November 1988 be established as the date for implementation of UNSCR 435/78.
2. Each side agrees to the establishment of a target date for signature of the tripartite agreement among Angola, South Africa, and Cuba not later than 10 September 1988.
3. Each side agrees that a schedule acceptable to all parties for the redeployment toward the North and the staged and total withdrawal of Cuban troops from Angola must be established by Angola and Cuba, who will request on-site verification by the Security Council of the United Nations. The parties accept 1 September 1988 as the target date for reaching agreement on that schedule and all related matters.
4. The complete withdrawal of South African forces from Angola shall begin not later than 10 August 1988 and be completed not later than 1 September 1988.
5. The parties undertake to adopt the necessary measures of restraint in order to maintain the existing de facto cessation of hostilities. South Africa stated its willingness to convey this commitment in writing to the Secretary-General of the United Nations. Angola and Cuba shall urge SWAPO to proceed likewise as a step prior to the ceasefire contemplated in resolution 435/78 which will be established prior to 1 November 1988. Angola and Cuba shall use their good offices so that, once the total withdrawal of South African troops from Angola is completed, and within the context also of the cessation of hostilities in Namibia, SWAPO's forces will be deployed to the north of the 16th parallel. The parties deemed it appropriate that, during the period before 1 November 1988, a representative of the United Nations Secretary-General be present in Luanda to take cognizance of any disputes relative to the cessation of hostilities and agreed that the combined military committee contemplated in paragraph 9 can be an appropriate venue for reviewing complaints of this nature that may arise.
6. As of 10 August 1988, no Cuban troops will deploy or be south of the line Chitado-Ruacana-Calueque-Naulila-Cuamato-N'Giva. Cuba furthermore stated that upon completion of the withdrawal of the South African troops from Angola not later than 1 September 1988 and the restoration by the People's Republic of Angola of its sovereignty over its international boundaries, the Cuban troops will not take part in offensive operations in the territory that lies east of meridian 17 and south of parallel 15 degrees, 30 minutes, provided that they are not subject to harassment.

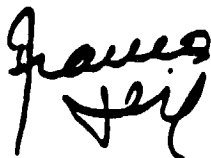

7. Following the complete withdrawal of South African forces from Angola, the Government of Angola shall guarantee measures for the provision of water and power supply to Namibia.

8. With a view toward minimizing the risk of battlefield incidents and facilitating exchange of technical information related to implementation of the agreements reached, direct communications shall be established not later than 20 August 1988 between the respective military commanders at appropriate headquarters along the Angola/Namibia border.

9. Each side recognizes that the period from 1 September 1988, by which time South African forces will have completed their withdrawal from Angola, and the date established for implementation of UNSCR 435, is a period of particular sensitivity, for which specific guidelines for military activities are presently lacking. In the interest of maintaining the ceasefire and maximizing the conditions for the orderly introduction of UNTAG, the sides agree to establish a combined military committee to develop additional practical measures to build confidence and reduce the risk of unintended incidents. They invite United States membership on the committee.

10. Each side will act in accordance with the Governors Island principles, including paragraph E (non-interference in the internal affairs of states) and paragraph G (the acceptance of the responsibility of states not to allow their territory to be used for acts of war, aggression, or violence against other states).
