I beg to acknowledge receipt of your cablegram of 20 June 1954, in which you informed me that the Security Council "calls for the immediate termination of any action likely to cause bloodshed" in Guatemala and requests all Members of the United Nations to abstain from giving assistance to either party to the conflict.

In expressing to you my sincere thanks for your communication, I take pleasure in informing you that throughout the conflict in Guatemala my Government, mindful of the principles of the United Nations Charter, maintained a strict policy of non-intervention with the result that it was able to offer successfully its mediation with a view to bringing about a peaceful settlement of the problem.
