- For new policy on vehicle access to UNOG grounds please see IC/Geneva/2004/14 (copies are available from the Language Training Secretariat). **As we expect further parking restrictions to be imposed in the near future, students are strongly advised to maximise their use of public transport and shuttle services when coming to attend language courses. We apologise in advance for any inconvenience these measures may cause.**

Application procedure

- Complete the attached application form and obtain your supervisor's authorization as well as that of your Human Resources Office if applicable. Please note that your supervisor must authorize all your time choices. Submit your form to the secretariat along with proof of payment and/or attestation of employment, if applicable, no later than **30 OCTOBER 2007**. Any applications or payments received after this date cannot be guaranteed a place in class.
- Although we will make every effort to honour your time preferences, **we cannot guarantee that you will have your first choice**. Class assignments are made on a first come, first served basis.
- Unless you are a complete beginner, you will need to make an appointment for a placement test. It is your responsibility to make this appointment **before 30 OCTOBER 2007 deadline**. Please contact the Language Training secretariat at sdls_language@unog.ch.
- All Arabic, Chinese and Russian students entering the programme through a placement test will be placed in ongoing classes with a previously established time schedule. Hence, you will not be asked to give a time preference for your classes in these 3 languages.

If you expect to be absent during the enrolment period, you can notify the secretariat in writing and submit an application form in advance. If you miss more than the first week of term, without prior notification to the secretariat or to your teacher, you will not be accepted into a course and your enrolment will be cancelled.
