The General Assembly,

Recalling its resolutions 60/83 of 8 December 2005 and 61/90 of 6 December 2006 regarding the maintenance and revitalization of the three United Nations regional centres for peace and disarmament,

Recalling also the reports of the Secretary-General on the United Nations Regional Centre for Peace and Disarmament in Africa,¹ the United Nations Regional Centre for Peace and Disarmament in Asia and the Pacific² and the United Nations Regional Centre for Peace, Disarmament and Development in Latin America and the Caribbean,³

Reaffirming its decision, taken in 1982 at its twelfth special session, to establish the United Nations Disarmament Information Programme, the purpose of which is to inform, educate and generate public understanding and support for the objectives of the United Nations in the field of arms control and disarmament,⁴

Bearing in mind its resolutions 40/151 G of 16 December 1985, 41/60 J of 3 December 1986, 42/39 D of 30 November 1987 and 44/117 F of 15 December 1989 on the regional centres for peace and disarmament in Nepal, Peru and Togo,

Recognizing that the changes that have taken place in the world have created new opportunities as well as posed new challenges for the pursuit of disarmament, and, in this regard, bearing in mind that the regional centres for peace and disarmament can contribute substantially to understanding and cooperation among States in each particular region in the areas of peace, disarmament and development,

Noting that in paragraph 91 of the Final Document of the Fourteenth Conference of Heads of State or Government of Non-Aligned Countries, held in Havana, on 15 and 16 September 2006, the Heads of State or Government emphasized the importance of the United Nations activities at the regional level to increase the stability and security of its Member States, which could be promoted in a substantive manner by the maintenance and revitalization of the three regional centres for peace and disarmament,⁵

respect to peace and security and disarmament so as to support the achievement of the purposes and principles of the United Nations;

3. *Appeals* to Member States in each region and those that are able to do so, as well as to international governmental and non-governmental organizations and foundations, to make voluntary contributions to the regional centres in their respective regions to strengthen their activities and initiatives;

Draft resolution III

Convention on the Prohibition of the Use of Nuclear Weapons

The General Assembly,

Convinced that the use of nuclear weapons poses the most serious threat to the survival of mankind,

Bearing in mind the advisory opinion of the International Court of Justice of 8 July 1996 on the *Legality of the Threat or Use of Nuclear Weapons*,¹

Convinced that a multilateral, universal and binding agreement prohibiting the use or threat of use of nuclear weapons would contribute to the elimination of the nuclear threat and to the climate for negotiations leading to the ultimate elimination of nuclear weapons, thereby strengthening international peace and security,

Conscious that some steps taken by the Russian Federation and the United States of America towards a reduction of their nuclear weapons and the improvement in the international climate can contribute towards the goal of the complete elimination of nuclear weapons,

Recalling that paragraph 58 of the Final Document of the Tenth Special Session of the General Assembly² states that all States should actively participate in efforts to bring about conditions in international relations among States in which a code of peaceful conduct of nations in international affairs could be agreed upon and that would preclude the use or threat of use of nuclear weapons,

Reaffirming that any use of nuclear weapons would be a violation of the Charter of the United Nations and a crime against humanity, as declared in its resolutions 1653 (XVI) of 24 November 1961, 33/71 B of 14 December 1978, 34/83 G of 11 December 1979, 35/152 D of 12 December 1980 and 36/92 I of 9 December 1981,

Determined to achieve an international convention prohibiting the development, production, stockpiling and use of nuclear weapons, leading to their ultimate destruction,

Stressing that an international convention on the prohibition of the use of nuclear weapons would be an important step in a phased programme towards the complete elimination of nuclear weapons, with a specified framework of time,

Noting with regret that the Conference on Disarmament, during its 2007 session, was unable to undertake negotiations on this subject as called for in General Assembly resolution 61/97 of 6 December 2006,

1. *Reiterates its request* to the Conference on Disarmament to commence negotiations in order to reach agreement on an international convention prohibiting the use or threat of use of nuclear weapons under any circumstances;

2. *Requests* the Conference on Disarmament to report to the General Assembly on the results of those negotiations.

Draft resolution IV

United Nations Regional Centre for Peace and Disarmament in Africa

The General Assembly,

Mindful of the provisions of Article 11, paragraph 1, of the Charter of the United Nations stipulating that a function of the General Assembly is to consider the general principles of cooperation in the maintenance of international peace and security, including the principles governing disarmament and arms limitation,

Recalling its resolutions 40/151 G of 16 December 1985, 41/60 D of 3 December 1986, 42/39 J of 30 November 1987 and 43/76 D of 7 December 1988 on the United Nations Regional Centre for Peace and Disarmament in Africa, and its resolutions 46/36 F of 6 December 1991 and 47/52 G of 9 December 1992 on regional disarmament, including confidence-building measures,

Recalling also its resolutions 48/76 E of 16 December 1993, 49/76 D of 15 December 1994, 50/71 C of 12 December 1995, 51/46 E of 10 December 1996, 52/220 of 22 December 1997, 53/78 C of 4 December 1998, 54/55 B of 1 December 1999, 55/34 D of 20 November 2000, 56/25 D of 29 November 2001, 57/91 of 22 November 2002, 58/61 of 8 December 2003, 59/101 of 3 December 2004, 60/86 of 8 December 2005 and 61/93 of 6 December 2006,

Aware of the important role that the Regional Centre can play in promoting confidence-building and arms-limitation measures at the regional level, thereby promoting progress in the area of sustainable development,

Taking into account the need to establish close cooperation between the Regional Centre and the Peace and Security Council of the African Union, in particular its institutions in the field of peace, disarmament and security, as well as with relevant United Nations bodies and programmes in Africa for greater effectiveness,

Taking note of the report of the Secretary-General,¹ in which he stated that the Regional Centre's ability to fulfil its mandate continued to be hampered by the lack of funding, in particular core funding,

Deeply concerned that, as noted in the report of the Secretary-General, voluntary contributions continued to decline and remained insufficient for the Regional Centre to fulfil its mandate effectively and efficiently, and that there is no foreseeable reliable source of funding that would ensure its operational sustainability,

Recalling that the General Assembly, in its resolution 60/86, requested the Secretary-General to establish, within existing resources, a Consultative Mechanism of interested States, in particular African States, for the reorganization of the Regional Centre,

1. *Notes with satisfaction* the conclusion of the work of the Consultative Mechanism for the Reorganization of the United Nations Regional Centre for Peace

and Disarmament in Africa, which made concrete recommendations on the Centre's future work programme, as well as on its staffing and funding;²

2. *Notes with appreciation* the recommendations of the Consultative Mechanism on the Regional Centre's future work programme, as well as on its staffing and funding;

3. *Invites* the Regional Centre, taking into account the availability of financial resources, to focus its actions on the priorities identified in the recommendations of the Consultative Mechanism;

4. *Recommends* that three posts (one Professional at the P-3 level and two General Service (Other level)) be established and added to the structure of the Regional Centre, and funded from the regular budget, as recommended by the Consultative Mechanism;

5. *Also recommends* that the operating costs of the Regional Centre be funded from the regular budget;

6. *Urges* all States, as well as international governmental and non-governmental organizations and foundations, to make voluntary contributions in order to strengthen the programmes and activities of the Regional Centre and facilitate their implementation;

7. *Requests* the Secretary-General to continue to provide the necessary support to the Regional Centre for better achievements and results;

8. *Also requests* the Secretary-General to facilitate close cooperation between the Regional Centre and the African Union, in particular in the areas of peace, security and development, and to continue to provide assistance towards stabilizing the financial situation of the Centre;

9. *Further requests* the Secretary-General to report to the General Assembly at its sixty-third session on the implementation of the present resolution;

10. *Decides* to include in the provisional agenda of its sixty-third session the item entitled "United Nations Regional Centre for Peace and Disarmament in Africa".

Taking note of the report of the Secretary-General,¹ in which he expresses his belief that the mandate of the Regional Centre remains valid and that the Centre has been a useful instrument for fostering a climate of cooperation for peace and disarmament in the region,

Noting that trends in the post-cold-war era have emphasized the function of the Regional Centre in assisting Member States as they deal with new security concerns and disarmament issues emerging in the region,

Commending the useful activities carried out by the Regional Centre in encouraging regional and subregional dialogue for the enhancement of openness, transparency and confidence-building, as well as the promotion of disarmament and security through the organization of regional meetings, which has come to be widely known within the Asia-Pacific region as “the Kathmandu process”,

Expressing its appreciation to the Regional Centre for its organization of meetings, conferences and workshops in the region, held in Yokohama, Japan, from 21 to 23 August 2006 and Jeju Island, Republic of Korea, from 13 to 15 December 2006,

Welcoming the activities of the Regional Centre in the promotion of disarmament and non-proliferation education in the Asia-Pacific region, as recommended in the United Nations study on disarmament and non-proliferation education,²

Noting the important role of the Regional Centre in assisting region-specific initiatives of Member States,

Appreciating highly the overall support that Nepal has extended as the host nation of the headquarters of the Regional Centre,
