#### **Comprehensive Nuclear-Test-Ban Treaty**

*The General Assembly,*

*Reiterating* that the cessation of nuclear-weapon test explosions or any other nuclear explosions constitutes an effective nuclear disarmament and non-proliferation measure, and convinced that this is a meaningful step in the realization of a systematic process to achieve nuclear disarmament,

*Recalling* that the Comprehensive Nuclear-Test-Ban Treaty, adopted by its resolution 50/245 of 10 September 1996, was opened for signature on 24 September 1996,

*Stressing* that a universal and effectively verifiable Treaty constitutes a fundamental instrument in the field of nuclear disarmament and non-proliferation and that after more than ten years, its entry into force is more urgent than ever before,

*Encouraged* by the signing of the Treaty by one hundred and seventy-seven States, including forty-one of the forty-four needed for its entry into force, and welcoming the ratification of one hundred and forty States, including thirty-four of the forty-four needed for its entry into force, among which there are three nuclear-weapon States,

*Recalling* its resolution 61/104 of 6 December 2006,

*Welcoming* the Final Declaration of the Fifth Conference on Facilitating the Entry into Force of the Comprehensive Nuclear-Test-Ban Treaty, held in Vienna on 17 and 18 September 2007,<sup>1</sup> pursuant to article XIV of the Treaty,

1. *Stresses* the vital importance and urgency of signature and ratification, without delay and without conditions, to achieve the earliest entry into force of the Comprehensive Nuclear-Test-Ban Treaty;

2. *Welcomes* the contributions by the States signatories to the work of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, in particular its efforts to ensure that the Treaty's verification regime will be capable of meeting the verification requirements of the Treaty upon its entry into force, in accordance with article IV of the Treaty;

3. *Underlines* the need to maintain momentum towards completion of all elements of the verification regime;

4. *Urges* all States not to carry out nuclear-weapon test explosions or any other nuclear explosions, to maintain their moratoriums in this regard and to refrain from acts that would defeat the object and purpose of the Treaty, while stressing that these measures do not have the same permanent and legally binding effect as the entry into force of the Treaty;

5. *Calls for* a peaceful solution of the nuclear issues on the Korean Peninsula through successful implementation of the Joint Statement, and the initial and second-phase actions to implement it, agreed upon in the framework of the Six-Party Talks;

6. *Urges* all States that have not yet signed the Treaty to sign and ratify it as soon as possible;

7. *Urges* all States that have signed but not yet ratified the Treaty, in particular those whose ratification is needed for its entry into force, to accelerate their ratification processes with a view to ensuring their earliest successful conclusion;

9. *Requests* the Secretary-General, in consultation with the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, to prepare a report on the efforts of States that have ratified the Treaty towards its universalization and possibilities for providing assistance on ratification procedures to States that so request it, and to submit such a report to the General Assembly at its sixty-third session;
