Gravely concerned about the situation in South Africa, and in southern Africa as a whole, resulting from the policies and actions of the apartheid régime, in particular its efforts to perpetuate and consolidate racist domination in the country, its policy of "bantustanization", its brutal repression of opponents of apartheid and its constant acts of aggression against neighbouring States,

and aggressive policies and seriously aggravates the situation in South Africa, thereby constituting a threat to international peace and security,

Reiterating its firm conviction that mandatory economic sanctions under Chapter VII of the Charter of the United Nations are essential to facilitate the speedy eradication of apartheid,

8. *Declares* that any collaboration with the racist régime and apartheid institutions is a hostile act against the purposes and principles of the United Nations and constitutes a threat to international peace and security;

9. *Condemns* the continuing political, military, nuclear, economic and other collaboration of certain States with the racist régime of South Africa in disregard of United Nations resolutions—in particular the United Kingdom of Great Britain and Northern Ireland, the

1. DECLARATION ON SOUTH AFRICA

The General Assembly,

Reaffirming that *apartheid* is a crime against the conscience and dignity of mankind,

Convinced that the United Nations must take the lead in concerted international action for the elimination of *apartheid*,

Noting with concern the continued intransigence of the South African régime, which has defied and disregarded numerous resolutions of organs of the United Nations for a just, peaceful and lasting resolution of the situation, including unanimous resolutions of the General Assembly and the Security Council,

Noting that the South African régime, by its arbitrary laws and repression, has deprived the oppressed people of avenues of peaceful and legal action to secure their inalienable rights,

Condemning the military build-up of South Africa and the series of acts of aggression committed by the South African régime against neighbouring States,

Gravely concerned about the plans of the South African régime to divide and dispossess the African people through "bantustanization" in order to perpetuate *apartheid* and deprive the African people of their citizenship,

Denouncing all plans for the dismemberment of South Africa through "bantustanization" as invalid,

Recognizing the significant contribution of the struggle for freedom and equality in South Africa to the purposes and principles of the Charter of the United Nations,

Recalling that the great majority of the South African people have been deprived of the right to participate in the determination of the destiny of the country,

Reaffirming that all the people of South Africa, irrespective of race, colour or creed, should be enabled to exercise their right of self-determination,

Convinced that the establishment of a non-racial society in South Africa, based on the Universal Declara-

tion of Human Rights,⁷⁹ would be a significant contribution to international peace, security and co-operation,

Adopts the following Declaration:

Declaration on South Africa

1. All States shall recognize the legitimacy of the struggle of the South African people for the elimination of *apartheid* and the establishment of a non-racial society guaranteeing the enjoyment of equal rights by all the people of South Africa, irrespective of race, colour or creed.

2. All States shall recognize the right of the oppressed people of South Africa to choose their means of struggle.

3. All States shall solemnly pledge to refrain from overt or covert military intervention in support or defence of the Pretoria régime in its effort to repress the legitimate aspirations and struggle of the African people of South Africa against it in the exercise of their right of self-determination, as enshrined in the Charter of the United Nations and the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations,⁸⁰ or in its threats or acts of aggression against the African States committed to the establishment of a democratic government of South Africa based on the will of the people as a whole, regardless of race, colour or creed, as the imperative guarantee to lasting peace and security in southern Africa.

4. All States shall take firm action to prevent the recruitment, financing, training or passage of mercenaries in support of the *apartheid* régime of South Africa or the bantustans created by it in South Africa.

5. All States shall take appropriate measures to discourage and counteract propaganda in favour of *apartheid*.

6. All States shall respect the desire of African States for the denuclearization of the continent of Africa and refrain from any co-operation with the South African régime in its plans to become a nuclear Power.

7. All States shall demonstrate international solidarity with the oppressed people of South Africa and with the independent African States subjected to threats or acts of aggression and subversion by the South African régime.

RELATIONS BETWEEN ISRAEL AND SOUTH AFRICA

The General Assembly,

Recalling and reaffirming its resolution 33/183 D of 24 January 1979,

Having considered the special report of the Special Committee against *Apartheid*,⁸¹

Gravely concerned at the continuing collaboration of Israel with the racist régime of South Africa in political,

military, nuclear, economic and other fields in violation of the resolutions of the United Nations,

Recalling the report of the World Conference to Combat Racism and Racial Discrimination, held at Geneva from 14 to 25 August 1978,⁸²

Taking note of the report of the United Nations Seminar on Nuclear Collaboration with South Africa, held in London on 24 and 25 February 1979,⁸³

Considering that such collaboration is a serious hindrance to international action for the eradication of *apartheid*, as well as an encouragement to the South African régime to persist in its criminal policy of *apartheid*, and a hostile act against the oppressed people of South Africa and the entire African continent,

1. *Again strongly condemns* Israel's continuing and increasing collaboration with the racist régime of South Africa;

2. *Demands* that Israel desist from and terminate all forms of collaboration with the racist régime of South Africa;

3. *Requests* the Special Committee against *Apartheid* to keep the matter under constant review and to report to the General Assembly and the Security Council as appropriate.

INVESTMENTS IN SOUTH AFRICA

The General Assembly,

Recalling its resolution 33/183 O of 24 January 1979,

Taking note of the report of the Special Committee against *Apartheid*,⁸⁴

Convinced that a cessation of all new foreign investments in, and financial loans to, South Africa would constitute an important step in international action for the elimination of *apartheid*, as such investments and loans abet and encourage the *apartheid* policies in that country,

Welcoming the actions of those Governments which have taken legislative and other measures towards that end,

Noting with regret that the Security Council has not yet taken steps towards that end, as requested in General Assembly resolutions 31/6 K of 9 November 1976, 32/105 O of 16 December 1977 and 33/183 O of 24 January 1979,

Again urges the Security Council to consider the matter at an early date with a view to taking effective steps to achieve the cessation of further foreign investments in, and financial loans to, South Africa.
