resolution submitted by Tunisia (S/4383)

The Security Council,

Having considered the report of the Secretary-General on a request for United Nations action in relation to the Republic of the Congo,

Having considered the request for military assistance addressed to the Secretary-General by the President and the Prime Minister of the Republic of the Congo (document S/4382),

Condemns the armed aggression by Belgium against the Republic of the Congo;

Calls upon the Government of Belgium to withdraw its troops immediately from the territory of the Congo;

Decides to authorize the Secretary-General to take the necessary steps, in consultation with the Government of the Republic of the Congo, to furnish that Government with such military assistance, provided by the African States Members of the United Nations, as may be necessary until, through the efforts of the Congolese Government with the technical assistance of the United Nations, the national security forces may be able, in the opinion of the Government, to meet fully their tasks.
