## COMMISSION ON HUMAN RIGHTS OF THE ECONOMIC AND SOCIAL COUNCIL

## SUMMARY RECORD OF MEETINGS

## SIXTEENTH MEETING

Held on Thursday, 16 May 1946, at 10:30 A.M.

Chairman: Mrs. Franklin D. Roosevelt

Mr. Borisov (U.S.S.R. member of the Commission on Human Rights) has requested that the following paragraphs be amended:

Page 1, Paragraph 2 to read: -

The Chairman asked Mr. Borisov whether he had reconsidered his point of view and whether he was still objecting to the appointment of non-governmental representatives. Mr. Borisov maintained his objections and stated that he wished to see the word "unanimous" crossed out in the particular paragraph of the report, and in addition, he proposed that a note should be added to the effect that he, on arrival, disagreed with the proposal that members of the Commission on Human Rights should serve as non-governmental representatives and that he felt that they should be government representatives. The Chairman stated that a note to that effect would be added to the report.

On point 4, Page 7, Mr. Borisov suggested that the word "all" should be deleted or that a detailed explanation be given. He pointed out that there may be many documents against the basic principles of the United Nations, and he felt that such statements and documents should not be included in the documentation and that was why he considered that the word "all" should be omitted. After the Chairman had pointed out that it would be difficult for the nuclear Commission to act as censors for the full Commission, and that the nuclear Commission would only transmit the documents to the full Commission without any decision being taken, Mr. Borisov did not agree to let point 4 stand as is.
