and Safety Requirements in Inland Navigation

Thirty-third session

Geneva, 16-18 June 2008

Item 2 (d) of the provisional agenda

EUROPEAN CODE FOR INLAND WATERWAYS (CEVNI)

Other amendments to CEVNI

Note by the secretariat

I. INTRODUCTION

1. It is recalled that the provisions of the European Code for Inland Waterways related to the marking for vessels carrying out certain transport operations involving dangerous substances refer to the Regulations annexed to the European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN). However, the current text uses the term "ADN" and not "Regulations annexed to ADN". Moreover, some references are not precise and/or not consistent with the relevant ADN terminology. The secretariat, therefore, would like to propose a number of amendments, listed below, prepared in consultation with the dangerous goods section of the UNECE Transport division.
