Generalized System of Preferences

Rules of origin

Note by the UNCTAD secretariat

This document contains relevant extracts from a communication received from Turkey:¹

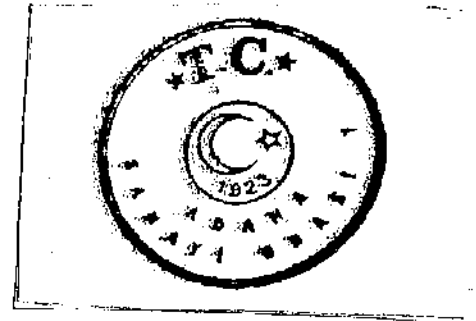

“... Turkey provided the sets of specimen seals of the authorized Generalized System of Preferences (GSP) certifying agencies in Turkey as of 16 July 2007.

However, customs authorities from several importer countries have informed us that the above-mentioned seals are not clear enough for the utilization of the GSP scheme. Furthermore, Turkey would like to add new chambers of industry and/or commerce to the list of authorized GSP certifying agencies in order to facilitate the approval process of the required documents.

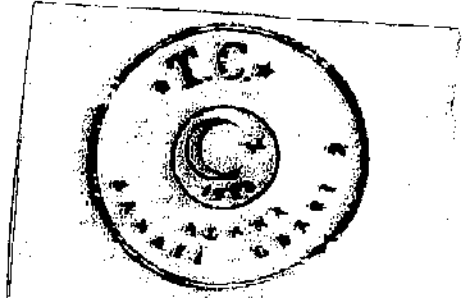

Accordingly, [Turkey] ... would like to transmit herewith, the revised sets of specimen seals of the authorized GSP certifying agencies in Turkey.”
