CABLEGRAM DATED 30 JUNE 1953 FROM THE CHIEF OF STAFF OF THE TRUCE SUPERVISION ORGANIZATION ADDRESSED TO THE SECRETARY-GENERAL TRANSMITTING A REPORT FOR THE SECURITY COUNCIL

I have the honour to submit the following report for the information of the Security Council.

1. In his report of 8 June 1953 my predecessor General Riley informed the Security Council that the Jordan Government had no objections to a suggestion already agreed to by the Israel Government concerning a meeting between the senior military commanders.
2. The suggested meeting took place in Jerusalem on 29 June. Israel was represented by General Moshe Dayan, Jordan by General Radi Ennab.
3. The results of the meeting may be summed up as follows: Jordan is taking measures against infiltration and will continue to do so. Israel will co-operate by supplying information to Jordan on infiltration. Israel will seek to improve methods of transmitting such information quickly so that Jordan can make effective use of it. Detailed arrangements will be worked out in a meeting of high ranking police officers of both sides which has been convened for 8 July. No further meeting between the two senior military commanders has been scheduled. However with an improvement of the situation another meeting between them might be arranged with a view to achieve further progress.

(Signed) General BENNIKE
