DRAFT INTERNATIONAL DECLARATION OF HUMAN RIGHTS

Iraq: Amendment to article 19 of the draft Declaration (E/800)

lst paragraph:

Delete the word "everyone" and replace by the words "every citizen". Replace the words "government of this country" by the words "affairs of his state".

3rd paragraph:

Replace the word "will" by the word "consent".

Add the following after the word "people": "exercised through periodic elections, referendum or plebiscite."

Article 19 would then read as follows:

1. <u>Every citizen</u> has the right to take part in the <u>affairs of his state</u>, directly or through his freely chosen representatives.

Everyone has the right of access to public employment in his country.
Everyone has the right to a government which conforms to the <u>consent</u> of the people exercised through periodic elections, referendum or plebiscite.
