**REPORT BY THE SECRETARY-GENERAL TO THE PRESIDENT
OF THE SECURITY COUNCIL CONCERNING THE CREDENTIALS OF A REPRESENTATIVE
OF CANADA TO THE SECURITY COUNCIL**

Pursuant to Rule 15 of the Provisional Rules of Procedure of the Security Council, I wish to report that I have received a telegram dated 15 January 1947 from the Honourable Lester B. Pearson, Under-Secretary of State for External Affairs of Canada, stating that Mr. Thomas A. Stone, Minister of Canada in Washington, D. C., is authorized to represent Canada on the Security Council when the report of the Atomic Energy Commission is on the agenda.

In my opinion this telegram constitutes adequate provisional credentials.
