We have the honour to refer to the conclusions and recommendations of the second biannual review of the implementation of the Sierra Leone Peacebuilding Cooperation Framework (PBC/3/SLE/2).

On 15 December 2008, the Government of Sierra Leone and the Peacebuilding Commission conducted the second biannual review on the implementation of the Peacebuilding Cooperation Framework adopted on 12 December 2007. The meeting resulted in the adoption of succinct recommendations to the Government of Sierra Leone, the United Nations, the international community and the Peacebuilding Commission.
