Nineteenth meeting

New York, 22-26 June 2009

Report on budgetary matters for the financial period 2007-2008

Presented by the Registrar

I. Performance report for 2007-2008

1. In June 2006, the sixteenth Meeting of States Parties approved a budgetary amount of €17,214,700 for the financial period 2007-2008. With a view to providing the Tribunal with the necessary financial means to consider cases in 2007-2008, in particular those requiring expeditious proceedings, the Meeting also approved an amount of €2,406,000 as case-related costs of the Tribunal. That amount is included in the total appropriation indicated above on the understanding that case-related costs should be used only in the event of cases being submitted to the Tribunal. The Meeting further decided that a floor rate of 0.01 per cent and a ceiling rate of 22 per cent would be used in establishing the rate of assessment for States Parties for the budget of the Tribunal for 2007-2008 (see SPLOS/145).

2. As shown in the performance report for the financial period 2007-2008 (see annex), the total expenditure for that period stands at €14,738,033, representing 85.61 per cent of the amount of appropriations approved for 2007-2008 (€17,214,700). The underperformance can largely be explained by the savings, amounting to €1,850,081, under “Case-related costs”. These savings were achieved owing to the fact that two cases, namely, Case No. 14 (“*Hoshinmaru*”) and Case No. 15 (“*Tomimaru*”), were submitted simultaneously in July 2007 and were dealt with within a period of one month, in accordance with the relevant provisions of the Rules of the Tribunal (instead of two months had the cases been filed separately). Furthermore, in 2008, no new case was submitted to the Tribunal, which resulted in additional savings under “Case-related costs”.

3. Under “Staff costs”, savings amounting to €95,165 were made, owing in large part to vacant positions in the Registry during the period in question. Furthermore, savings amounting to €32,696 were also made in the budget section “Judges”, principally because five judges were re-elected in June 2008, while, in the budget approved in 2006, provisions had been made for additional pension payments for the seven judges whose terms of office came to an end on 30 September 2008. It should

be further pointed out that an amount of €50,568 was saved under the budget line “Annual allowances”, owing to the resignation of one judge and the death of another during the period in question.

4. It may be noted that, if case-related costs are excluded, the performance rate for other costs would be 95.77 per cent.

II. Report on action taken pursuant to the decisions on budgetary matters taken by the sixteenth, seventeenth and eighteenth Meetings of States Parties

A. Surrender of savings from 2002

5. The sixteenth Meeting of States Parties decided on 23 June 2006 that an amount of €12,684 from the 2002 savings corresponding to the additional appropriations for 2005 would be surrendered and deducted from the assessed contributions of the States parties in accordance with regulation 4.5 of the Financial Regulations of the Tribunal (SPLOS/146).

6. In accordance with the above decision, an amount of €12,684 was surrendered and deducted from the contributions of States parties for 2007 and for earlier financial periods, where applicable.

B. Surrender of savings from 2002 and 2004 and from the supplementary budget for 2005-2006

7. On 26 June 2007, the seventeenth Meeting of States Parties decided (SPLOS/161):

(a) That an amount of €55,816 from the 2002 savings and an amount of €208,670 from the 2004 savings will be surrendered and deducted from the assessed contributions of the States parties for 2008 in accordance with regulation 4.5 of the Financial Regulations of the Tribunal;

(b) That an amount of €351,899, corresponding to the supplementary budget approved by the Meeting of States Parties, will be surrendered and deducted from the assessed contributions of the States parties for 2008 in accordance with regulation 4.5 of the Financial Regulations of the Tribunal.

8. In accordance with the above decisions, an amount of €626,385 was deducted from the contributions of States parties for 2008 and for earlier financial periods where applicable.

C. Surrender of cash surplus from the financial period 2005-2006

9. On 20 June 2008, the eighteenth Meeting of States Parties noted that the cash surplus from the financial period 2005-2006, amounting to €1,232,340, would be surrendered and deducted from the contributions of States parties for 2009, in accordance with financial regulation 4 (SPLOS/180). Accordingly, that amount has been deducted from the contributions of States parties to the 2009 budget of the Tribunal.

D. Overexpenditure in 2007-2008

10. On the basis of the approved budget for the financial period 2007-2008, there was an overrun in the budget line “Special services (external audit)” amounting to €700. That overrun resulted from the interim audit that was conducted in February 2008 in order to certify the amount of the final cash surplus for the period 2005-2006. This overexpenditure was offset by the savings from other budget lines in the same section, “Operating expenditures”.

III. Report on action taken pursuant to the Financial Regulations of the Tribunal

A. Investment of the funds of the Tribunal

11. In respect of the investment of funds of the Tribunal, regulation 9 of the Financial Regulations of the Tribunal stipulates the following:

9.1 The Registrar may make prudent short-term investments of moneys not needed for immediate requirements and shall inform the Tribunal and the Meeting of States Parties periodically of such investments.

9.2 Income derived from investments shall be credited to miscellaneous income or as provided in the rules relating to each fund or account.

12. During the financial period 2007-2008, the Tribunal’s funds were kept in Chase Bank and Deutsche Bank in United States dollars and euros, respectively, as short-term investments, which are investments made for less than 12 months, according to rule 109.1 of the Financial Rules of the Tribunal. The funds yielded interest which amounted to 5,586.22 United States dollars and €408,757.81 during the period in question. This earned interest has been credited as miscellaneous income in accordance with regulation 9.2 of the Financial Regulations of the Tribunal.

B. The Korea International Cooperation Agency trust fund

13. The Korea International Cooperation Agency (KOICA) offered to provide a grant of 150,000 United States dollars pursuant to a memorandum of understanding signed between the Tribunal and KOICA on 9 March 2004. Its object is to finance the Tribunal’s internship programme, in particular the expenses of participants from developing countries.

14. In accordance with regulation 6.5 of the Financial Regulations of the Tribunal, a trust fund was subsequently established and a special euro bank account named “KOICA grant” set up with Deutsche Bank for this purpose. When the funds, amounting to 150,000 United States dollars, were received from KOICA in March 2004, they were converted into €20,600 on the basis of the exchange rate of 0.804 fixed by the United Nations for March 2004.

15. In March 2006, the Tribunal received from KOICA its second contribution to the KOICA trust fund in the amount of 100,000 United States dollars. This amount

was converted into €84,400 on the basis of the exchange rate of 0.844 fixed by the United Nations for March 2006.

16. Following the signing of a memorandum of understanding between the Tribunal and KOICA, contributions in the amount of €342,045 were received during the financial period 2007-2008. An amount of €213,645 was paid to the Tribunal in February 2007 and €128,400 on 5 May 2008 in order to finance the internship programme of the Tribunal, the organization of regional workshops and the participation of students from developing countries in the summer academy organized by the International Foundation for the Law of the Sea (IFLOS).

17. The financial statement of the KOICA grant as at 31 December 2008, which is to be reported to the Meeting of States Parties in accordance with regulation 6.5 of the Financial Regulations of the Tribunal, is as follows:

C. Nippon Foundation trust fund

19. In accordance with regulation 6.5 of the Financial Regulations of the Tribunal, a trust fund was subsequently established and a special euro bank account named “Nippon Foundation grant” set up with Deutsche Bank. The purpose of the grant is to finance the expenses of participants from developing countries in the aforementioned programme. During the programme, participants attended lectures on topical issues related to the law of the sea and maritime law and training courses on negotiation and delimitation. They also visited institutions working in the fields of the law of the sea, maritime law and the settlement of disputes (inter alia, the United Nations, the International Maritime Organization, the International Court of Justice and the International Oil Pollution Compensation Funds). Secretarial support required to administer the programme was financed by the Nippon grant. A further amount of €200,000 was paid to the Tribunal on 27 March 2008.
