IV. ALLOCATION OF ITEMS	24 - 26	17

I. INTRODUCTION

1. At its 1st meeting, on 12 September 1977, the General Committee considered a memorandum by the Secretary-General relating to the organization of the thirty-second regular session of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/32/1 and Corr.1). A summary of the discussion will appear in the summary record of the meeting (A/BUR/32/SR.1).

II. ORGANIZATION OF THE SESSION

A. Schedule of meetings

2. On the proposal of the Secretary-General (A/BUR/32/1, paras. 2 and 3), the General Committee recommends to the General Assembly the following arrangements relating to the schedule of meetings:

(a) Plenary and committee meetings should begin at 10.30 a.m. and 3 p.m.;

(b) A five-day working week should be established, on the understanding that meetings on Saturdays, as well as night meetings, may be scheduled if necessary.

3. In this connexion, the General Committee wishes to stress the need for punctuality in opening meetings and to draw the General Assembly's attention to the text of rules 67 and 108 of the rules of procedure (A/520/Rev.12), whereby the President of the General Assembly may declare a meeting open and permit the debate to proceed when at least one third of the members are present, and the Chairman of a Main Committee may declare a meeting open and permit the debate to proceed when at least one quarter of the members are present.

B. General debate

4. At the suggestion of the Secretary-General (A/BUR/32/1, para. 4), the General Committee wishes to draw the General Assembly's attention to the following conclusions of the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly which were approved by the Assembly at its twenty-sixth session:

(a) The length of the general debate should not normally exceed two and a half weeks (A/520/Rev.12, annex V, para. 45);

(b) The list of speakers wishing to take part in the general debate should be closed at the end of the third day after the opening of the debate (*ibid.*, para. 46).

5. Taking into consideration the suggestions of the Secretary-General (A/BUR/32/1, para. 4) and the increase in the number of speakers, the General Committee recommends that:

(a) The general debate should begin on Monday, 26 September and end on Thursday, 13 October 1977;

(b) The list of speakers wishing to take part in the general debate should be closed on Wednesday, 28 September, at 6 p.m.;

(c) Out of consideration for the other speakers and in order to preserve the dignity of the general debate, delegations should refrain from expressing their congratulations in the General Assembly hall after a speech has been delivered.

C. Right of reply

6. At the suggestion of the Secretary-General (A/BUR/32/1, para. 6), the General Committee wishes to draw the General Assembly's attention to the recommendation of the Special Committee, which was approved by the Assembly, whereby statements made in the exercise of the right of reply should be delivered, as a general rule, at the end of meetings (A/520/Rev.12, annex V, para. 78). Furthermore, the General Committee recommends that delegations should exercise their right of reply at the end of the day whenever two meetings have been scheduled for that day and whenever such meetings are devoted to the consideration of the same item.

7. Also at the suggestion of the Secretary-General (A/BUR/32/1, para. 7), the General Committee recommends to the General Assembly that statements in the exercise of the right of reply should be limited to 10 minutes.

D. Closing date of the session

8. At the suggestion of the Secretary-General (A/BUR/32/1, para. 8), the General Committee proposes to the General Assembly, in accordance with rule 2 of the rules of procedure, that the closing date of the thirty-second session should be Tuesday, 20 December 1977.

E. Records of the Main Committees

9. As pointed out by the Secretary-General (A/BUR/32/1, para. 9), rule 58 of the rules of procedure stipulates that the First Committee shall be provided with verbatim records and that no organ of the General Assembly shall have both verbatim and summary records. The General Committee therefore recommends that the verbatim records should be the official records of the First Committee and the summary records should remain the official records of all other Main Committees. In this connexion, the General Committee also recommends to the General Assembly that the option that has traditionally been approved for the Special Political Committee to obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof, should be maintained for the thirty-second session. Furthermore, the General Committee wishes to draw the General Assembly's attention to paragraph 10 (e) of its resolution 2538 (XXIV) of 11 December 1969, which reads as follows:

"Speeches or statements by representatives, by the Secretary-General or his representative, or by persons presenting reports on behalf of

/...

committees or other bodies, may be reproduced in extenso in summary records or as official documents only if they serve as bases for discussion, provided that the relevant decision is taken by the body concerned after a statement of the financial implications has been submitted in accordance with regulation 13.1 of the Financial Regulations of the United Nations."

F. Seating arrangements

10. The General Committee took note of the seating arrangements to be observed in the plenary and in the Main Committees (A/BUR/32/1, para. 10).

G. Use of the General Assembly hall by the Main Committees

11. The General Committee took note of the fact that, in addition to the General Assembly hall, only five conference rooms (Conference Rooms 1 to 4 and the Trusteeship Council Chamber) can accommodate the membership of the Organization, making it possible to hold no more than six meetings simultaneously; at the suggestion of the Secretary-General (A/BUR/32/1, para. 11), the General Committee therefore proposes that all the Main Committees should make full use of the General Assembly hall when no plenary meetings is being held.

H. Mechanical means of voting

12. At the suggestion of the Secretary-General (A/BUR/32/1, para. 12), the General Committee proposes that the Main Committees make full use, on a rotating basis, of the mechanical means of voting available in both the General Assembly hall and Conference Room 3.

I. Work of the Fifth Committee

13. At the suggestion of the Secretary-General (A/BUR/32/1, para. 13), the General Committee would like to draw the attention of the General Assembly to rule 153 of the rules of procedure which reads as follows:

"No resolution involving expenditure shall be recommended by a committee for approval by the General Assembly unless it is accompanied by an estimate of expenditures prepared by the Secretary-General. No resolution in respect of which expenditures are anticipated by the Secretary-General shall be voted by the General Assembly until the Administrative and Budgetary Committee (Fifth Committee) has had an opportunity of stating the effect of the proposal upon the budget estimates of the United Nations."

In this connexion, the General Committee recommends that the General Assembly should draw the attention of the Main Committees to the imperative need for allowing

/...

sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and by the Fifth Committee and to the advisability of taking this requirement into account when they adopt their programme of work, so that items for which financial implications are expected may be considered as early as possible.

14. The General Committee took note of the fact that, in view of the increasingly heavy workload of the organs dealing with financial matters, the Secretariat had made available to the permanent missions, during the month of August, an informal aide-mémoire containing a number of suggestions of a practical nature aimed at expediting the work of the Fifth Committee.

J. Reports of the Main Committees

15. At the suggestion of the Secretary-General (A/BUR/32/1, para. 15), the General Committee recommends that the General Assembly should draw the attention of the Main Committees to Assembly resolution 2292 (XXII), which was reaffirmed by the Special Committee on the Rationalization of the Procedures and Organization of the General Assembly (A/520/Rev.12, annex V, para. 43), whereby the reports of the Main Committees should be as concise as possible and, save in exceptional cases, should not contain a summary of the debates.

K. Balloting procedure

16. At the suggestion of the Secretary-General (A/BUR/32/1, para. 16), the General Committee wishes to recommend that the General Assembly should, whenever it deems it appropriate, dispense with the time-consuming balloting procedure in the case of uncontested elections to subsidiary organs.

III. ADOPTION OF THE AGENDA

17. The General Committee considered the draft agenda of the thirty-second session submitted by the Secretary-General in his memorandum (A/BUR/32/1, para. 17). All the items contained in the draft agenda formed part of the following documents:

/...

The General Committee decided to recommend that the wording of item 22 of the draft agenda (Election of twelve members of the Board of Governors of the United Nations Special Fund for Land-locked Developing Countries) should be amended to read "Election of the members of the Board of Governors of the United Nations Special Fund for Land-locked Developing Countries".

(b) That the following subitem should be inserted after subitem (a):
"(b) Report of the World Conference for Action against Apartheid;"

and that the existing subitems (b) and (c) should become subitems (c) and (d).
