"12. Requests the Secretary-General to provide the Committee for Programme and Co-ordination with the necessary technical and substantive services in order that it may be able to fulfil its increased responsibilities and, in particular, carry out the programme of work it has set itself for 1979."

10. The representative of Tunisia then introduced an oral amendment to the above text, in which operative paragraph 4 was expanded to read as follows:

"4. Welcomes the intention of the Committee for Programme and Co-ordination to conduct an in-depth study of the programme planning process during its nineteenth session and expresses the wish that this study will lead to a solution to the problems stemming from the late distribution of documents and supports the recommendation of the Committee for Programme and Co-ordination whereby the required documents should be made available at least six weeks prior to the beginning of each session."

11. At the same meeting, the representative of the Union of Soviet Socialist Republics introduced amendments (A/C.5/33/L.26) to the revised draft resolution (A/C.5/33/L.19/Rev.1). He stated that there were errors in the English translation of these amendments and he then made oral corrections. The proposed amendments, as orally corrected, were as follows:

1. Reword the third preambular paragraph as follows:

"Taking note of the reports of the Committee for Programme and Co-ordination and of the Advisory Committee on Administrative and Budgetary Questions on the proposed draft medium-term plan of the United Nations for the period 1980-1983, as well as the reports on evaluation submitted by the Joint Inspection Unit,".

2. Replace the words "on the medium-term plan" in the fourth preambular paragraph by "on the draft medium-term plan".

3. Replace the text of the fifth preambular paragraph by the following:

"Deploring the unacceptable delay in the submission of the documents on the draft medium-term plan, which hindered its meaningful consideration by the competent intergovernmental organs in accordance with the procedure laid down in General Assembly resolution 31/93,".

4. Add the following new preambular paragraph:

"Considering that section 27 of the proposed medium-term plan is being revised by the United Nations Secretariat and is now before the Economic and Social Council,".

5. Amend paragraph 1 to read as follows:

"Takes note of the proposed draft medium-term plan for the period 1980-1983 and requests the Secretary-General to use it in the light of the comments of the Committee for Programme and Co-ordination and of the discussions of the Economic and Social Council at its resumed second regular session on individual plan sections and bearing in mind the sixth preambular paragraph of this resolution as a framework for the preparation of the programme budget for the biennium 1980-1981 in strict compliance with the provisions of General Assembly resolutions 31/93 and 32/201;".

6. Amend paragraph 2 to read as follows:

"2. Decides to consider the relevant sections of the draft medium-term plan for the period 1980-1983 at its next session in the light of the recommendations which the Economic and Social Council may make in 1979 concerning the orientation to be given to the programmes of the Organization in the light of paragraph (e) of the Council's decision;".

12. The representative of the United States of America considered that the word "study" in operative paragraph 5 of the draft resolution (A/C.5/33/L.19/Rev.1) might be misleading, since it could be interpreted to mean that further review was needed when, in fact, a test of feasibility of time-limited objectives was to be carried out. He orally proposed the substitution of the word "testing" for the word "study" in operative paragraph 5.

13. The representative of Australia orally proposed two amendments to operative paragraph 1:

(a) The addition of the phrase "and recommendations" after the word "comments";

(b) The deletion of the phrase "on individual plan sections".

14. The representative of Tunisia, speaking on behalf of the co-sponsors of the draft resolution (A/C.5/33/L.19/Rev.1), as amended, stated that the draft was not a narrow partisan proposal by the Group of 77, but incorporated the results of extensive consultations. He had no difficulty with the amendment proposed by the Soviet Union in paragraph 3 of A/C.5/33/L.26, but, apart from this, he opposed any other amendments.

15. At the 52nd meeting, on 6 December, the representative of Tunisia, speaking on behalf of the co-sponsors, stated that he could accept the proposed amendments in paragraphs 2 and 3 of A/C.5/33/L.26 and that he agreed with the understanding of the representative of the United States that the use of the word "study" in operative paragraph 5 of the draft resolution (A/C.5/33/L.19/Rev.1, as amended) did not imply any further review of the need to test out the feasibility of time-limited objectives. The representative of the United States then stated that he would not insist on his proposed amendment.

16. The representative of Australia proposed the replacement of the phrase "in the light" by "taking account as appropriate" in operative paragraph 1 of the draft resolution (A/C.5/33/L.19/Rev.1, as amended).

17. After a number of interventions against them, the representative of Australia withdrew his proposed amendments.

18. After an exchange of views with the representative of Tunisia, the representative of the USSR withdrew the amendments to the draft resolution proposed in paragraphs 1, 4, 5, and 6 of A/C.5/33/L.26, as orally corrected.

19. The Chairman suggested that the draft resolution be adopted by consensus. The representative of the USSR requested that a vote be taken. At its 52nd meeting, on 6 December, the Committee adopted draft resolution A/C.5/33/L.19/Rev.1, as amended, by 86 votes to none, with 10 abstentions.

20. The comments and observations of delegations during the discussion of this item, as well as explanations of vote, are reflected in the summary records of the Committee (A/C.5/33/SR.30, 35-37, 39, 44, 47, 48, 51 and 52).
