RULES OF PROCEDURE OF THE TRUSTEESHIP COUNCIL

I. SESSIONS

Rule 1

The Trusteeship Council shall meet in two regular sessions each year. The first of such sessions shall be convened during the month of January and the second during the month of June.

Rule 2

Special sessions shall be held as and where occasion may require, by decision of the Trusteeship Council, or at the request of a majority of its members, or at the request of the General Assembly, or at the request of the Security Council acting in pursuance of the relevant provisions of the Charter.

Rule 3

A request for a special session may be made by the Economic and Social Council or by any member of the Trusteeship Council, and shall be addressed to the Secretary-General of the United Nations, who without delay shall communicate the request to the other members of the Trusteeship Council. On notification by the Secretary-General that the majority of the members have concurred, the President of the Trusteeship Council shall request the Secretary-General to call a special session.

Rule 4

The President of the Trusteeship Council shall notify the members of the Council of the date and place of the first meeting of each session through the Secretary-General. Such notification, as a rule, shall be given at least thirty days in advance of the date of the session. Notifications shall also be addressed to the Security Council, to the Economic and Social Council, to such Members of the United Nations as have proposed an item for the agenda, and to such of the specialized agencies as may attend and participate in the meetings of the Trusteeship Council under the terms of the agreements with the United Nations.

Rule 5

A request for an alteration of the date of a regular session may be made by any member of the Trusteeship Council or the Secretary-General and shall be dealt with by a procedure similar to that provided in rule 3 for a request for a special session.

Rule 6

Each session shall be held at the seat of the United Nations, unless in pursuance of a previous decision of the Trusteeship Council or at the

request of a majority of its members another place is designated. A request for a place of meeting other than the seat of the United Nations may be made by any member of the Trusteeship Council or by the Secretary-General and shall be dealt with by a procedure similar to that provided in rule 3 for a request for a special session.

Rule 7

The Trusteeship Council may decide at any session to adjourn temporarily and resume its meetings at a later date.

II. AGENDA

Rule 8

The provisional agenda for each session of the Trusteeship Council shall be drawn up by the Secretary-General in consultation with the President and shall be communicated together with the notice summoning the Council to the organs, Members and specialized agencies referred to in rule 4.

Rule 9

The provisional agenda shall include consideration of:

(a) Such annual reports and other documents as may have been submitted by the Administering Authorities;

(b) Such petitions as may have been presented, a list of which shall be attached;

(c) Arrangements for and reports on visits to Trust Territories;

(d) All items proposed by the Trusteeship Council at a previous session;

(e) All items proposed by any Member of the United Nations;

(f) All items proposed by the General Assembly, the Security Council, the Economic and Social Council, or a specialized agency under the terms of its agreement with the United Nations; and

(g) All items or reports which the President or the Secretary-General may deem necessary to put before the Trusteeship Council.

Rule 10

The first item on the provisional agenda of any meeting of the Trusteeship Council shall be the adoption of the agenda. The Trusteeship Council may revise the agenda and may, as appropriate, add, defer or delete items. During any special session priority shall be given to the consideration of those items for which the session has been called.

III. REPRESENTATION AND CREDENTIALS

Rule 11

Each member of the Trusteeship Council shall designate one specially qualified person to represent it therein.

Rule 12

Members of the United Nations which are not members of the Trusteeship Council but which have proposed items on the agenda of that Council shall be invited to have present, at the appropriate meetings of the Council, representatives who shall be entitled to participate, without vote, in the deliberations on those items.

Rule 13

Representatives of specialized agencies shall be invited to attend meetings of the Trusteeship Council and to participate, without vote, in its deliberations in the circumstances indicated in the respective agreements between the United Nations and the specialized agencies.

Rule 14

1. The credentials of representatives on the Trusteeship Council shall normally be communicated to the Secretary-General not less than twenty-four hours before the meeting at which the representatives will take their seats. The credentials shall be issued either by the Head of the State or by the Minister of Foreign Affairs of the respective member Governments.

2. The credentials shall be examined by the Secretary-General who shall submit a report thereon to the Trusteeship Council for approval.

Rule 15

1. Any Member of the United Nations not a member of the Trusteeship Council, when invited to participate in a meeting or meetings of the Council, shall submit credentials for the representative appointed by it for this purpose in the same manner as provided in rule 14. The credentials of such a representative shall be communicated to the Secretary-General not less than twenty-four hours before the first meeting which he is to attend.

2. The credentials of representatives referred to in the paragraph immediately preceding and of any representatives appointed in accordance with rule 74 shall be examined by the Secretary-General who shall submit a report to the Trusteeship Council for approval.

Rule 16

The credentials of representatives of specialized agencies which have been invited to attend meetings of the Trusteeship Council in pursuance of rule 13 shall be issued by the competent officer of each such specialized agency and shall be subject to the same procedure as defined in rule 14.

Rule 17

Pending the decision on the credentials of a representative on the Trusteeship Council, such representative shall be seated provisionally and shall enjoy the same rights as he would have if his credentials were found to be in good order.

Rule 18

Each representative on the Trusteeship Council may be accompanied by such alternates and advisers as he may require. An alternate or an

adviser may act as a representative when so designated by the representative.

IV. PRESIDENT AND VICE-PRESIDENT

Rule 19

The Trusteeship Council shall elect, at the beginning of its regular session in June, a President and a Vice-President from among the representatives of the members of the Trusteeship Council.

Rule 20

The President and Vice-President shall hold office until their respective successors are elected, and shall not be eligible for immediate reelection.

Rule 21

In the absence of the President, the Vice-President shall act as President. In the event that the President for any reason is no longer able to act in that capacity, the Vice-President shall serve as President during the unexpired term. In both cases the Vice-President shall have the same powers and duties as the President.

Rule 22

The President may appoint one of his alternates or advisers to participate in the proceedings and to vote in the Trusteeship Council. In such a case the President shall not exercise his right to vote.

V. SECRETARIAT

Rule 23

The Secretary-General shall act in that capacity at the meetings of the Trusteeship Council and of its committees, sub-committees and such subsidiary bodies as may be established by it. The Secretary-General may authorize a deputy to act in his place.

Rule 24

The Secretary-General shall transmit promptly to the members of the Trusteeship Council all communications which may be addressed to the Council from Members and organs of the United Nations and from specialized agencies. The Secretary-General shall also circulate promptly to the members of the Council communications from other sources, except those which are manifestly inconsequential, if they relate to the activities of the Trusteeship Council. Such communications shall be transmitted in full, unless their length precludes this, in which case the procedure set forth in paragraph 3 of rule 85 shall apply.

Rule 25

The Secretary-General shall provide and direct the staff required by the Trusteeship Council and such committees, sub-committees and other subsidiary bodies as it may establish.

Rule 26

The Secretary-General or his representative may, subject to the provisions of rule 53, make oral as well as written statements to the Council, its committees or subsidiary bodies concerning any question under consideration.

Rule 27

The Secretary-General shall be responsible for all the necessary arrangements for meetings and other activities of the Trusteeship Council, its committees, sub-committees and subsidiary bodies.

VI. LANGUAGES

Rule 28

Chinese, English, French, Russian and Spanish shall be the official languages. English and French shall be the working languages of the Trusteeship Council.

Rule 29

Speeches made in one of the working languages shall be interpreted into the other working language.

Rule 30

Speeches made in any of the other three official languages shall be interpreted into both working languages.

Rule 31

Any representative may speak in a language other than the official languages. In such case, he shall himself provide for interpretation into one of the working languages. Interpretation into the other working language by an interpreter of the Secretariat may be based on the interpretation given in the first working language.

Rule 32

Records of meetings of the Trusteeship Council shall be drawn up in the working languages. A translation of the whole or part of any record into any of the other official languages shall be furnished if requested by any representative in the Trusteeship Council.

Rule 33

The official records of the Trusteeship Council shall be issued in the working languages.

Rule 34

All resolutions of the Trusteeship Council shall be made available in the official languages. Other documents originating with the Council shall be made available in any of the official languages at the request of representatives of members of the Council.

Rule 35

Documents of the Trusteeship Council shall, if the Trusteeship Council so decides, be published in any language other than the official languages.

VII. VOTING

Rule 36

Each member of the Trusteeship Council shall have one vote.

Rule 37

Decisions or recommendations of the Trusteeship Council shall be made by a majority of the members present and voting. Members who abstain in particular votes shall not in those instances be counted as voting.

Rule 38

If a vote other than for an election is equally divided, a second vote shall be taken at the next meeting or, by decision of the Trusteeship Council, following a brief recess. Unless at the second vote there is a majority in favour of the proposal, it shall be deemed to be lost.

Rule 39

The Trusteeship Council shall vote by show of hands except that, before a vote is taken, any representative of a member may request a roll-call, which shall then be taken in the English alphabetical order of the names of the members of the Trusteeship Council, beginning with the member of the Trusteeship Council whose name is drawn by lot by the President. The name of each member shall be called and the representative shall reply "Yes", "No" or "Abstention". The result of the voting shall be inserted in the record in the English alphabetical order of the names of the members.

Rule 40

The vote of each member participating in any roll-call shall be inserted in the record.

Rule 41

The election of the President and the Vice-President of the Trusteeship Council shall be taken by secret and separate ballot. The Council may decide that the election to any other office or function established by the Council shall also be taken by secret ballot.

Rule 42

When only one person or member is to be elected and no candidate obtains in the first ballot the majority required, a second ballot shall be taken, which shall be confined to the two candidates obtaining the largest number of votes. If in the second ballot the votes are equally divided, the President shall decide between the candidates by drawing lots.

Rule 43

When two or more elective places are to be filled at one time under the same conditions, those candidates obtaining in the first ballot the ma-

jority required shall be elected. If the number of candidates obtaining such majority is less than the number of persons or members to be elected, there shall be additional ballots to fill the remaining places, the voting being restricted to the candidates obtaining the greatest number of votes in the previous ballot, the number of candidates being not more than twice as many as the places remaining to be filled.

VIII. PUBLICITY OF MEETINGS

Rule 44

The meetings of the Trusteeship Council and of all of its subsidiary bodies shall be held in public, unless the Council or subsidiary body concerned decides that circumstances require that meetings be held in private.

Rule 45

At the close of private meetings, as may be appropriate, the Trusteeship Council shall issue a communiqué through the Secretary-General.

IX. RECORDS

Rule 46

The records of all public and private meetings shall be prepared by the Secretariat. They shall be made available in so far as possible within twenty-four hours of the end of the meetings to the representatives who have participated in the meetings.

Rule 47

The representatives who have participated in the meetings shall, within two working days after the distribution of the records, inform the Secretary-General of any corrections they wish to have made. Corrections that have been requested shall be considered approved, unless the President is of the opinion that they are sufficiently important to be submitted to the Trusteeship Council for approval.

Rule 48

The records of public and private meetings in which no corrections have been requested or which have been corrected in accordance with rule 47 shall be considered as the official records of the Trusteeship Council. The official records of public meetings shall be published by the Secretariat as promptly as possible and communicated to the Members of the United Nations and to the specialized agencies referred to in rule 4.

Rule 49

The official records of private meetings shall be accessible only to the Members of the United Nations, except that the Trusteeship Council may make public the records of any private meeting at such time and under such conditions as it may decide. When such records relate to strategic areas the Administering Authority concerned may request the Trusteeship Council to confine their availability to the Trusteeship and Security Councils.

X. CONDUCT OF BUSINESS

Rule 50

At any meeting of the Trusteeship Council two-thirds of the members shall constitute a quorum.

Rule 51

In addition to exercising the powers which are conferred upon him elsewhere by these rules, the President shall declare the opening and closing of each meeting, direct the discussions, ensure observance of the rules of procedure, accord the right to speak, put questions and announce decisions. Subject to the rules of procedure, he shall have complete control of the proceedings of any meeting. The President, acting under the authority of the Trusteeship Council, shall represent it as an organ of the United Nations.

Rule 52

Whenever the President of the Trusteeship Council deems that for the proper fulfilment of the responsibilities of the presidency he should not preside over the Trusteeship Council during the consideration of a question with which the member he represents is directly connected, and in particular when annual reports and petitions relating to a Trust Territory of which the member he represents is the Administering Authority are under consideration, he shall indicate his decision to the Trusteeship Council. The presidency shall then devolve for the purpose of the consideration of that question upon the Vice-President.

Rule 53

No one may address the Trusteeship Council without having previously obtained the permission of the President. The President shall call upon speakers in the order in which they signify their desire to speak. The Chairman of a subsidiary body, or a rapporteur, or the Secretary-General, however, may be accorded precedence. The President may call a speaker to order if his remarks are not relevant to the subject under discussion.

Rule 54

During the discussion of any matter, a representative may rise to a point of order and the point of order shall be immediately decided by the President, in accordance with the rules of procedure.

Rule 55

A representative may appeal from any ruling of the President. The appeal shall be put to the vote without discussion.

Rule 56

1. The following motions shall have precedence in the order named over all draft resolutions or other motions relative to the subject before the meeting:

- (a) To suspend the meeting;
- (b) To adjourn the meeting;

- (c) To adjourn the meeting to a certain day or hour;
- (d) For the closure of the debate on any motion or draft resolution, including amendments thereto, or on any amendment or amendments to a motion or draft resolution;
- (e) To limit the time allowed to each speaker;
- (f) To refer any matter to a committee, to the Secretary-General or to a rapporteur;
- (g) To postpone discussion of the question to a certain day or indefinitely; or
- (h) To amend.

2. Any motion for the suspension or for the simple adjournment of a meeting shall be decided without debate.

3. A motion for closure of debate on a draft resolution or other motion shall not be considered by the Trusteeship Council until each representative shall have had the opportunity to speak on that draft resolution or other motion. Debate on a motion for closure of debate shall be limited to one speaker for each side.

Rule 57

Reports, draft resolutions and other substantive motions or amendments shall be introduced in writing and handed to the Secretary-General. The Secretary-General shall, to the extent possible, circulate copies to the representatives twenty-four hours in advance of the meeting at which they are to be considered. The Trusteeship Council may decide to postpone the consideration of draft resolutions and other substantive motions or amendments, the copies of which have not been circulated twenty-four hours in advance.

Rule 58

Draft resolutions and other motions or amendments proposed by representatives of members on the Trusteeship Council may be put to the vote without having been seconded.

Rule 59

1. Draft resolutions, motions or amendments may be withdrawn by the representative who introduced them at any time prior to the vote.

2. In a case where a representative withdraws a draft resolution, motion or amendment prior to the vote, any other representative on the Trusteeship Council may require that it be put to the vote as his draft resolution, motion or amendment under the same conditions as if the original mover had not withdrawn it.

Rule 60

Parts of a report, draft resolution, other motion or amendment may be voted on separately at the request of a representative and subject to the will of the Trusteeship Council. The proposal shall then be voted on as a whole.

Rule 61

A proposal to add to or delete from or otherwise revise a part of a draft resolution or a motion shall be considered as an amendment. An

amendment shall be voted on first and if it is adopted, the amended resolution or motion shall then be voted on.

Rule 62

If two or more amendments are moved to a draft resolution or another motion, the President shall first put to the vote the amendment furthest removed in substance from the draft resolution or motion and then the amendment next furthest removed, and so on, until all the amendments have been voted upon or an amendment has been approved which, in the opinion of the Trusteeship Council, makes voting on the remaining amendments unnecessary.

Rule 63

If two or more draft resolutions or other motions relating to an original proposal are introduced, the President shall first put to the vote the resolution or motion furthest removed in substance from the original proposal. If that draft resolution or motion is rejected, the President shall put to the vote the draft resolution or motion next furthest removed, and so on, until either all the draft resolutions or motions have been put to a vote or one or more of them has been adopted which, in the opinion of the Trusteeship Council, makes voting on the remaining proposals unnecessary.

Rule 64

A statement of minority views may be appended to a report or recommendation of the Trusteeship Council at the request of any member.

Rule 65

No resolution involving expenditure from United Nations funds shall be approved by the Trusteeship Council unless the Trusteeship Council has before it a report from the Secretary-General on the financial implications of the proposal, together with an estimate of the costs involved in the specific proposal.

XI. COMMITTEES AND RAPORTEURS

Rule 66

The Trusteeship Council may set up such committees as it deems necessary, define their composition and their terms of reference, and refer to them any questions on the agenda for study and report. The committees may be authorized to sit while the Trusteeship Council is not in session.

Rule 67

The procedure set forth in rules 28 to 31, 36 to 38, and 51 to 63 inclusive, shall apply to proceedings of committees of the Trusteeship Council. The committees may decide upon the form of the records and adopt such other rules of procedure as may be necessary.

XII. QUESTIONNAIRES

Rule 68

Upon the coming into effect of each Trusteeship agreement, the Trusteeship Council shall transmit to the Administering Authority con-

cerned, through the Secretary-General, such questionnaire as it shall have formulated, in accordance with Article 88 of the Charter, on the political, economic, social and educational advancement of the inhabitants of the Trust Territory involved.

Rule 69

The Trusteeship Council may modify the questionnaires at its discretion.

Rule 70

When, in accordance with Article 91 of the Charter, the Trusteeship Council considers it appropriate to avail itself of the assistance of the Economic and Social Council or of any specialized agency in the preparation of questionnaires, the President of the Trusteeship Council shall transmit through the Secretary-General to the Economic and Social Council or to the specialized agency concerned those sections of the questionnaires with regard to which its advice may be desired.

Rule 71

1. The questionnaire shall be communicated to each Administering Authority at least six months before the expiration of the year covered by the first annual report, and shall remain in force, without specific renewal, from year to year.

2. Any subsequent modifications shall be communicated to the Administering Authority concerned at least six months before the date fixed for the presentation of the first annual report which is to be based on the modified questionnaire.

XIII. ANNUAL REPORTS OF ADMINISTERING AUTHORITIES

Rule 72

1. The annual report of an Administering Authority prepared on the basis of the questionnaire formulated by the Trusteeship Council shall be submitted to the Secretary-General within six months from the termination of the year to which it refers.

2. Each report of an Administering Authority shall be considered by the Trusteeship Council at the first regular session following the expiration of six weeks from the receipt of the report by the Secretary-General, unless the Administering Authority concerned shall agree to an earlier examination of the report.

3. The Secretary-General shall transmit these reports without delay to the members of the Trusteeship Council.

Rule 73

The Administering Authority shall furnish to the Secretary-General 400 copies of each report for a Trust Territory. Copies of each such report shall at the same time be sent directly by the Administering Authority to the members of the Trusteeship Council as a means of expediting the work of the Council.

XIV. EXAMINATION OF ANNUAL REPORTS

Rule 74

In the examination of all annual reports the Administering Authority concerned shall be entitled to designate and to have present a special representative who should be well informed on the Territory involved.

Rule 75

The special representative of the Administering Authority may participate without vote in the examination and discussion of a report, except in a discussion directed to specific conclusions concerning it.

XV. PETITIONS

Rule 76

Petitions may be accepted and examined by the Trusteeship Council if they concern the affairs of one or more Trust Territories or the operation of the International Trusteeship System as laid down in the Charter, except that with respect to petitions relating to a strategic area the functions of the Trusteeship Council shall be governed by Article 83 of the Charter and the terms of the relevant Trusteeship agreements.

Rule 77

Petitioners may be inhabitants of Trust Territories or other parties.

Rule 78

Petitions may be presented in writing in accordance with rules 79 to 86, or orally in accordance with rules 87 to 91.

Rule 79

A written petition may be in the form of a letter, telegram, memorandum or other document concerning the affairs of one or more Trust Territories or the operation of the International Trusteeship System as laid down in the Charter.

Rule 80

1. The Trusteeship Council may hear oral presentations in support or elaboration of a previously submitted written petition. Oral presentations shall be confined to the subject-matter of the petition as stated in writing by the petitioners. The Trusteeship Council, in exceptional cases, may also hear orally petitions which have not been previously submitted in writing, provided that the Trusteeship Council and the Administering Authority concerned have been previously informed with regard to their subject-matter.

2. The President of the Council shall be authorized between sessions of the Council, through the Secretary-General, to inform any petitioner who requests an opportunity for an oral presentation or petition under this rule, that the Council will grant him a hearing at such time and place as the President may name. Before communicating such information to

the petitioner, the President shall inquire of the Administering Authority or Authorities concerned as to whether there are substantial reasons why the matter should first be discussed in the Council. If the Administering Authority is of the opinion that such substantial reasons exist, the President shall defer action until the matter has been decided by the Council.

Rule 81

Normally petitions shall be considered inadmissible if they are directed against judgments of competent courts of the Administering Authority or if they lay before the Council a dispute with which the courts have competence to deal. This rule shall not be interpreted so as to prevent consideration by the Trusteeship Council of petitions against legislation on the grounds of its incompatibility with the provisions of the Charter of the United Nations or of the Trusteeship agreement, irrespective of whether decisions on cases arising under such legislation have previously been given by the courts of the Administering Authority.

Rule 82

Written petitions may be addressed directly to the Secretary-General or may be transmitted to him through the Administering Authority.

Rule 83

Written petitions submitted to the Administering Authority for transmission shall be communicated promptly to the Secretary-General, with or without comments by the Administering Authority, at its discretion, or with an indication that such comments will follow in due course.

Rule 84

1. Representatives of the Trusteeship Council engaged in periodic visits to Trust Territories or on other official missions authorized by the Council, may accept written petitions, subject to such instructions as may have been received from the Trusteeship Council. Petitions of this kind shall be transmitted promptly to the Secretary-General for circulation to the members of the Council. A copy of each such petition shall be communicated to the competent local authority. Any observations which the visiting representatives may wish to make on the petitions, after consultation with the local representative of the Administering Authority, shall be submitted to the Trusteeship Council.

2. The visiting mission shall decide which of the communications it receives are intended for its own information and which of these are petitions to be transmitted to the Secretary-General, pursuant to paragraph 1 of this rule, to be dealt with in accordance with rules 85, 86 and 90.

Rule 85

1. The Secretary-General shall circulate promptly to the members of the Trusteeship Council all written petitions received by him which contain requests, complaints and grievances seeking action by the Trusteeship Council.

2. Petitions concerning general problems to which the attention of the Trusteeship Council has already been called and on which the Council has taken decisions or has made recommendations, as well as anonymous

communications, shall be circulated by the Secretary-General in the manner provided for in rule 24.

3. In the case of lengthy petitions, the Secretary-General will first circulate a summary of the petition, the original petition being made available to the Trusteeship Council. The original petition, however, will be circulated if the President of the Trusteeship Council, during the recess of the Council, or the Council, if it is in session, so decides.

4. The Secretary-General shall not circulate petitions which are manifestly inconsequential, a list of which, with a summary of their contents, shall be communicated to the members of the Trusteeship Council.

5. With respect to petitions relating to a strategic area, the functions of the Trusteeship Council shall be governed by Article 83 of the Charter and the terms of the relevant Trusteeship Agreement.

Rule 86

1. Written petitions will normally be placed on the agenda of a regular session provided that they shall have been received by the Administering Authority concerned either directly or through the Secretary-General at least two months before the date of the next following regular session.

2. The date of receipt of a petition shall be considered as being:

(a) In respect of a petition which is presented through the Administering Authority, the date on which the petition is received by the competent local authority in the Territory or the metropolitan Government of the Administering Authority, as the case may be, and

(b) In respect of a petition received by a visiting mission the date on which the copy of the petition is communicated to the local authority in accordance with rule 84;

(c) In respect of a petition not presented through the Administering Authority, the date on which the petition is received by the Administering Authority through the Secretary-General. The Administering Authority concerned shall immediately notify the Secretary-General of the date of receipt of all such petitions.

3. In cases where the Administering Authority may be prepared to consider a written petition at shorter notice than is prescribed by the foregoing rules, or where, in exceptional cases, as a matter of urgency, it may be so decided by the Trusteeship Council in consultation with the Administering Authority concerned, such written petition may be placed on the agenda of a regular session notwithstanding that it has been presented after the due date, or it may be placed on the agenda of a special session.

4. The Administering Authority concerned shall, whenever possible, submit written observations on the petitions referred to in paragraph 1 of rule 85 within two months after the date of receipt. In the case of other petitions and communications upon which a decision is taken pursuant to paragraph 3 of rule 90, to apply the established procedures concerning petitions, the Administering Authority concerned, whenever possible, shall submit written observations within two months of the date of such decision.

Rule 87

Requests to present petitions orally or to make oral presentations in support or elaboration of written petitions, in accordance with rule 80,

may be addressed directly to the Secretary-General or may be transmitted to him through the Administering Authority. In the latter case the Administering Authority concerned shall communicate such requests promptly to the Secretary-General.

Rule 88

The Secretary-General shall promptly notify the members of the Trusteeship Council of all requests for oral petitions or oral presentations received by him, except for petitions relating to a strategic area with respect to which the functions of the Trusteeship Council shall be governed by Article 83 of the Charter and the terms of the relevant Trusteeship agreement.

Rule 89

Representatives of the Trusteeship Council engaged in periodic visits to Trust Territories or on other official missions authorized by the Council may receive oral presentations or petitions, subject to such instructions as may have been received from the Trusteeship Council. Such oral presentations or petitions shall be recorded by the visiting mission, and the record shall be transmitted promptly to the Secretary-General for circulation to the members of the Council and to the Administering Authority for comment. A copy of each such record shall be communicated to the competent local authority. Any observations which the visiting representatives may wish to make on the oral presentations or petitions, after consultation with the local representative of the Administering Authority, shall be submitted to the Trusteeship Council.

Rule 90

1. The Trusteeship Council shall establish a Standing Committee on Petitions of six members to undertake a preliminary examination of all written petitions and such oral petitions as may be referred to it by the Council in accordance with rule 80. The Council shall appoint at the end of each regular session three members administering Trust Territories and three members having no administering responsibilities to serve on the Standing Committee on Petitions until the close of the following regular session.

2. The Standing Committee on Petitions shall meet during sessions of the Council and, whenever it considers necessary, between sessions, normally approximately one month before each regular session of the Council.

3. The Standing Committee on Petitions shall decide which, if any, of the petitions referred to in paragraph 2 of rule 85 and the communications circulated pursuant to rule 24 shall have the established procedure concerning petitions applied to them. However, the Trusteeship Council may review the decision of the Standing Committee and decide that any of the petitions referred to in paragraph 2 of rule 85 and any of the communications circulated pursuant to rule 24 shall have the established procedure concerning petitions applied to them.

4. The Standing Committee on Petitions meeting between sessions may conduct, in consultation with the representative of the Administering Authority concerned, a preliminary examination of those petitions on which
