The Commission on Human Rights,

Having in mind the fact that the General Assembly in its resolution 31/169 of 21 December 1976 proclaimed 1979 as the International Year of the Child,

Conscious of the need further to strengthen the comprehensive care and well-being of children all over the world,

Convinced of the importance of international co-operation in this field,

Desiring to make its contribution to the observance of the International Year of the Child and to its follow-up activities,

Invites the Secretary-General to consider the possibility of organizing, within the framework of advisory services in the field of human rights, a two-week seminar on the rights of the child in the light of international instruments concerning human rights and questions of their implementation and progressive development.
