

Decision on the re-establishment of an ad hoc
subsidiary body on the comprehensive programme
of disarmament

(Adopted at the 245th plenary meeting on 28 February 1984)

The Conference on Disarmament decides to re-establish an ad hoc subsidiary body on the Comprehensive Programme of Disarmament to renew, as soon as the circumstances are propitious for that purpose, its work on the elaboration of the Programme with a view to the submission to the General Assembly, not later than at its forty-first session, a complete draft of such a Programme.

The ad hoc subsidiary body will report to the Conference on the progress of its work before the conclusion of its 1984 session, in order that the Conference may be in a position to submit to the General Assembly the progress report requested in resolution 38/183 K.

The term "ad hoc subsidiary body" is used pending a decision by the Conference on its designation.
