Dear Sir,

I am writing to you regarding the independence of Micronesia and Belau from the United States of America-administered United Nations trusteeship, which I believe you will be discussing in May.

I implore you to support the movement to independence for this nuclear-free striving community. The use of their homeland for warfare, especially nuclear warfare, by some other Power, is an outrageous act of injustice and gross disregard for the welfare and rights of the Belauan people.

Your role is vital in this very moral issue. Support Belau independence.

Yours faithfully,

(Signed) Sharon MULLIN
