ANNEX

Letter dated 29 August 1984 from the Deputy Permanent Observer of  
the Palestine Liberation Organization to the United Nations  
addressed to the Secretary-General

[Original: Arabic]

Farouk Kaddoumi, Head of the Political Department and member of the Executive Committee of the Palestine Liberation Organization, has asked me to inform you of the following.

At noon today, 29 August 1984, the Fascist Kahane, the Israeli Knesset member, and 200 of his armed supporters tried to storm the town of Um el Fahm. There was a violent confrontation between the Palestinian inhabitants in the town of Um el Fahm and the Fascist forces of the Israeli border guard, which used tear-gas bombs to disperse the demonstrators. Those forces also fired shots in the air and dispersed thousands of demonstrators. Six demonstrators were wounded as a result of this and by stones thrown by the border guard troops at the demonstrators. The heroic inhabitants of Um el Fahm were able to resist the Fascist Kahane and his supporters and prevent them from entering the town.

This Zionist Fascist Kahane, who ran in the Israeli elections for the Knesset under the banner of criminal Fascist racism, urging the expulsion of the Palestinian Arab inhabitants from Palestine by force, and succeeded in obtaining a seat in the Knesset of the Zionist entity, is a perfect expression of the criminal and ugly face of Zionist racism. Today we see him trying, as he promised to implement his electoral programme by force of arms in order to expel our people from its homeland within sight and earshot of the Zionist Israeli rulers.

We appeal to you to take the necessary immediate steps to put a halt to these criminal actions and to make the rulers of Israel bear full responsibility for them and for the consequences thereof.

(Signed) Riyadh MANSOUR  
Deputy Permanent Observer of the  
Palestine Liberation Organization  
to the United Nations
