REPORT OF THE PREPARATORY COMMITTEE FOR THE UNITED NATIONS
CONFERENCE ON SCIENCE AND TECHNOLOGY FOR DEVELOPMENT

Corrigendum

By its decision 1978/60 of 3 August 1978, the Economic and Social Council decided that the third session of the Preparatory Committee for the United Nations Conference on Science and Technology for Development, which was to have been held from 18 to 29 September 1978, would take place from 22 January to 2 February 1979. Consequently, at its thirty-third session, the General Assembly will be seized only with the report of the Committee on its second session. The words "Volume I" should therefore be deleted from the title of the report.
