Item 10 Internal audit and oversight

Under this item, the Executive Board will have before it the internal audit and oversight reports of UNDP, UNFPA and UNOPS.

The UNDP report provides information on the activities of the Office of Audit and Investigations (OAI) for the year ended 31 December 2010. As requested by the Board in its decision 2010/22, the report contains information on the adequacy of resources applicable for audit and investigations, and, in particular, on how appropriate and timely capacity for investigations is ensured. In addition, the report provides a multi-year trend analysis of audit issues over a five-year period (2006-2010) and the results of the follow-up efforts to implementing 18-month old recommendations. In line with decision 2009/15, the report also contains information on the analysis of findings from country office audits, relating to programme and project management, including monitoring and evaluations. As per decision 2006/13, the report is accompanied by the management response (presented separately). In accordance with the approved oversight policy (DP/2008/16/Rev.1), the annual report of the Audit Advisory Committee is appended to the internal audit and oversight report.

The report on UNFPA internal audit and oversight activities in 2010 responds to decision 2010/22 and earlier decisions of the Executive Board. In accordance with decision 2010/22, paragraph 20, the report is entitled Report of the Director of the Division for Oversight Services on UNFPA internal audit and oversight activities in 2010. The report seeks to inform the Board of the key risks that could impact the work of the Fund in a development environment marked by change and challenges. Compared to past reports, the report submitted to the annual session 2011 focuses on recommendations to be considered by the Executive Board. As requested by the Board in decision 2008/37, the annual report of the UNFPA Audit Advisory Committee and the management response thereto are provided as annexes to the report on internal audit and oversight. In addition, a comprehensive management response is made available on the UNFPA website.

The Executive Board will also have before it an activity report on UNOPS internal audit and related services for the year ended 31 December 2010, presented by the Internal Audit and Investigations Group. The report is accompanied by the management response and the annual report of the UNOPS Strategic and Audit Advisory Committee for 2010 (presented separately).

The Executive Board may wish to adopt a decision on the internal audit and oversight reports of UNDP, UNFPA and UNOPS.

Item 11 Reports of UNDP, UNFPA and UNDP Ethics Offices

Under this item, the Executive Board will have before it the reports of the Ethics Offices of UNDP, UNFPA and UNOPS.

This third report of the UNDP Ethics Office covers its activities from 1 January to 31 December 2010. Pursuant to the Secretary-General's Bulletin on United Nations system-wide application of ethics: separately administered organs and programmes (ST/SGB/2007/11), and Executive Board decision 2008/37, the present report was submitted to the Administrator and reviewed by the United Nations Ethics Committee. In 2010, as forecasted in its Action Plan, the Ethics Office focused on institutionalizing its work within UNDP. The ever-increasing number of requests for services suggests that such institutionalization may be occurring. The Executive Board may wish to take note of the report and comment on the progress of the work of the Ethics Office.

Pursuant to Executive Board decision 2010/17, UNFPA submits the report of the Ethics Office, 2010. The report focuses on the activities undertaken by the UNFPA Ethics Office during the period 1 January to 31 December 2010, and also describes the progression of the ethics function in UNFPA since the establishment of the Ethics Office in 2008. In accordance with the Secretary-General's bulletin on United Nations system-wide application of ethics: separately administered organs and programmes (ST/SGB/2007/11), the report has been reviewed by the United Nations Ethics Committee at its 27th session on 15 February 2011, and was subsequently provided to the UNFPA Executive Director. The Executive Board may wish to take note of the report and comment on the progress of the work of the Ethics Office.

The report of the UNOPS Ethics Officer for 2010 is being presented for the first time in line with Executive Board decision 2010/17. The report details the activities of the Ethics Officer during 2010. The Executive Board may wish to note the increased visibility of ethics policies and of the Ethics Officer in UNOPS during 2010.
