---

Addendum 1 to the Report of the Acting Secretary-General on  
the Inquiry conducted in accordance with General Assembly  
Resolution 1664 (XVI)

RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

1070th plenary meeting, 4 December 1961

1664 (XVI). Question of disarmament

The General Assembly,

Convinced that all measures should be taken that could halt further nuclear weapons tests and prevent the further spread of nuclear weapons,

Recognizing that the countries not possessing nuclear weapons have a grave interest, and an important part to fulfil, in the preparation and implementation of such measures,

Believing that action taken by those countries will facilitate agreement by the nuclear Powers to discontinue all nuclear tests and to prevent any increase in the number of nuclear Powers,

Taking note of the suggestion that an inquiry be made into the conditions under which countries not possessing nuclear weapons might be willing to enter into specific undertakings to refrain from manufacturing or otherwise acquiring such weapons and to refuse to receive, in the future, nuclear weapons in their territories on behalf of any other country,

1. Requests the Secretary-General to make such an inquiry as soon as possible and to submit a report on its results to the Disarmament Commission not later than 1 April 1962;

2. Requests the Disarmament Commission to take such further measures as appear to be warranted in the light of that report;

3. Calls upon the nuclear Powers to extend their fullest co-operation and assistance with regard to the implementation of the present resolution.
