I. Introduction

1. The present addendum provides information about the status of the implementation of recommendations issued by the Office of Internal Oversight Services. The report is divided into four main sections (II-V). Section II provides an overall assessment of the implementation of recommendations. Section III provides a breakdown of open recommendations by United Nations entities. Section IV includes a list of OIOS recommendations with financial implications, relating to unnecessary or excess expenditures, losses and opportunities for future cost avoidance. Section V lists all oversight reports issued by OIOS between 1 July 2010 and 30 June 2011.

II. Overall assessment of the implementation of recommendations

2. During the period from 1 July 2010 to 31 May 2011, OIOS issued 1,624 recommendations to United Nations entities. Of these, 392 (24 per cent) were deemed critical. As at 30 June 2011, programme managers had implemented 806 (50 per cent) of all the recommendations issued between 1 July 2010 and 31 May 2011 and 165 (42 per cent) of the critical recommendations issued during the same period. The figure below shows a breakdown by period of the recommendations issued between 1 July 2007 and 31 May 2011, including the implementation rate for each period.

Breakdown of status of recommendations issued from 1 July 2007 to 31 May 2011 as at 30 June 2011 and implementation rates^a

^a Critical recommendations and corresponding implementation rates are given in parentheses. A recommendation may be "closed without implementation" when overtaken by events or when management accepts responsibility for residual risk arising from the non-implementation of the recommendation.

¹ While the reporting period is from 1 July 2010 to 30 June 2011, owing to timing constraints, statistics on the status of recommendations include only those recommendations issued through 31 May 2011 and their status as at 30 June 2011.

III. Analysis of open recommendations

- 3. Table 1 provides information about the status of the 1,461 recommendations that remained open as at 30 June 2011 for each United Nations department/office. Of these, 320 (22 per cent) were past due (i.e., missed their target date) and 785 (54 per cent) were not yet due. The remaining 356 recommendations (representing 24 per cent of the total) have no set target date.
- 4. Data regarding the open recommendations were provided to the relevant departments and offices in order to afford them the opportunity to provide updates on implementation status for consideration in the preparation of the present addendum.
