ANNEX

Comments of the Administrative Committee on Co-ordination

1. The members of the Administrative Committee on Co-ordination (ACC) note that the practices of the United Nations and the specialized agencies with regard to representation generally conform to the recommendations contained in the report of the Joint Inspection Unit entitled "Representation of organizations of the United Nations system at conferences and meetings - Part B. The specialized agencies" (A/44/135), and members of ACC will continue their endeavours to bring about further improvements in that area.
2. With respect to recommendation 1 concerning improvement of efficiency of representation and facilitation of proper system-wide co-ordination, ACC members intend to develop generally acceptable procedures concerning the issuance of invitations to meetings and the provision of documentation.
