Item 13 of the provisional agenda

Report(s) of any subsidiary organ(s)

**Recommendation  
Web-based Information System for Protocol V (WISP.V)**

**Submitted by the Coordinator on WISP.V<sup>1</sup>**

1. This year there will not be a formal report on WISP.V, instead during the Fifth Conference the Coordinator will be making a presentation on its establishment and formally launching the system. For the purposes of ensuring the system's ongoing implementation and maintenance, the following recommendation is proposed:

(a) The Conference welcomed the establishment of the Web-based Information System for Protocol V (WISP.V). Further, the Conference requested the CCW Implementation Support Unit to administer and supervise WISP-V and also requested the Information and Communication Technology Service of the United Nations Office in Geneva to provide for the system's maintenance.
