1. This document contains information on the status of receipt of contributions to the UNFCCC trust funds as at 15 May 2010. The status of indicative contributions to the Kyoto Protocol is reported separately from the status of contributions to the Convention.
2. Table 1 lists all 194 Parties to the Convention and shows the expected and received contributions during 2010 and the outstanding balances in euro due to the Trust Fund for the Core Budget of the UNFCCC. Sixty-five Parties have paid their contributions for 2010, amounting to 55 per cent of the indicative contributions for this year. Table 2 reflects the outstanding contributions in United States dollars for prior years, while, in table 3, Parties are grouped according to their status of contributions paid to the core budget for the Convention.
3. Table 4 lists all 190 Parties to the Kyoto Protocol and shows the expected and received contributions during 2010 and the outstanding balances for 2010 in euro. Fifty-nine Parties have paid their contributions for 2010, representing 68 per cent of the indicative contributions for this year.
