Re: Belau

Dear Sir,

We have been reading with dismay of the attempts by the United States to persuade the Belauan people to give up their nuclear-free Constitution and adopt a Compact of Free Association with the United States.

We wish to register with the United Nations Trusteeship Council our support for the Belauan people who are campaigning to keep their nuclear-free Constitution.

Yours faithfully,

(Signed) Frances L. EADE  
(Treasurer)

for the Sudbury Branch of the  
United Nations Association
