of Religious Intolerance

CORRIGENDUM

On page 3 of the Annex to document E/3925, the following text should be inserted immediately under the heading "Ireland":

"..... The Permanent Representative has the honour to enclose certain observations of the Government of Ireland which relate both to the draft Principles on Freedom and Non-Discrimination in the matter of Religious Rights and Practices and to the draft Declaration and Convention on the elimination of all forms of religious intolerance. In transmitting these observations, the Permanent Representative presumes that they will be considered by the Commission on Human Rights when it takes up the question of the draft Principles at its 21st Session, and by the Economic and Social Council during its examination of the draft Declaration and Convention at its 37th Session."
